LET'S TALK ABOUT THE END

Authored By:
Dr. Malachi Z. York
For The Holy Tabernacle Ministries

Introduction

Now Let's Really Talk About ***"The End"***! That's What You've Been Hearing About For Years From Your Teachers, Your Preachers, Your Environmentalist, Your Scientist, Etc., Who All Have Their Ideas Of:

> **When *"The End"* Will Come.**
> **How *"The End"* Will Come.**
> **And Even What Will Happen**
> **After *"The End"* Has Come.**

And What Is ***This End*** That They Are Referring To? First Of All, The Word **"End"** Has Quite A Few Meanings Which Includes **"Limits Or Boundaries"**, **"Finish Or Close"** And **"Destruction Or Death"**. However, **The End** We're Dealing With Here Is Referring To The Latter Definition Which Is: *"To Come To An End; To Cease; To Terminate; To Close; To Conclude*" And **This End** Could Be ***"The End Of The World"*** *Or* ***"End Of The Earth"?*** Why Do I Say This? Because The Word **"Earth"** Is Defined As: "*The Planet That We Live On;*

Terrestrial Globe" According To **Webster's New Twentieth Century Unabridged Dictionary**, And It Defines The Word **"World"** As Literally Meaning ***"The Age Of Man; (From Anglo Saxon Origin Wer, Man And Yldo, An Age)"***. So When Saying The **"End Of The World"** You Are Saying **"The End Of Man"** Because The Word **"World"** Originally Meant The Existence Of Man On Earth. Yet, When Scientist Use The Term **"End Of The World"** They Mean The Actual Destruction Of The Planet, And They Went As Far As Exploring Other Planets That Can Be Inhabited By Humans Such As, **Mars** And **The Moon** Which Have Already Shown Signs Of Life Existing On Them, Something That I've Been Telling You For Years. They Have Set Up Bases On These Planets And There Are Pictures, Books (***"Is There A Base On Mars"***), Videos (***"Alternative 3"***) And Documented Evidence That Are Now Being Released To The Public Which Proves This, Which Is Good, Because I Find That It's Easier For You To Accept It.

What The Public Doesn't Know Is That Scientist Have Been Probing Mars Since The **1800's** And Found Conditions Similar To That Of This Planet. In An Article Entitled ***"There Is Life On Mars"*** Taken From The Winter Issue **U.F.O. Universe** It States That:

> *"Nasa Photos That Accompany This Article Shows That Giant Pipes Rise High Above The Martian Surface, In Some Instances Protruding From Plains And Deserts, In Others From Mountain Sides. These Pipes Resemble Vents Pipes Found On Most Earth Homes Which Use Indoor Plumbing. The Plumbing Would Work Poorly, If At All, Without The Venting The Pipes Provide. Such Pipes On Mars Might Be Used For Air Or Other Gas Exchange And Pressure Equalization Between An Underground City And The Surface Atmosphere."*

Figure 1
This Huge Pipe Is Protruding From The Surface Of Mars In The Mariner Valley Region Of The Planet.

And Anyone Who Is Familiar With Accounts Emphasized Through Any Type Of Media, Know That By The Time News Like This Is Made Public, You Can Be Sure That They Have Already Visited And Thoroughly Dissected That Planet And That They Have, And Are Still In The Process Of Moving Select People There. So What These Scientist And Environmentalist

Know About The Destruction Of This Planet Is Not Based On Religion Or A Religious Standpoint, It Has To Do With Facts. And The Fact Is That The Destruction Of This Planet Is Inevitable And They Are On Their Way Out Of Here. You, On The Other Hand, Are Waiting For Someone To Come And Save You, And It Just Might Be Too Late At The Rate This Planet Is Going. The Planet Earth Is Falling Apart Right Under Your Feet. If You Listen To The World News Report There Is A Catastrophe Or Disaster Happening In Some Country, Every Single Day, Warning You That A Great Calamity Is About To Happen Because The Condition Of This Planet Has Gotten To The Point That Even Mother Nature Is Tired Of Man. The First Signs Will Be The Animals And Birds Turning On Mankind. When You See That Know It Is Near.

Ques: Why Is Mother Nature Tired Of Man?

Ans: The Truth Of The Matter Is, In Order For **Mother Earth** To Accommodate The Luxuries Of Man, The Pollutants From Cars, Planes, Jets, Factories, Etc., All Of Life's Natural Substances Are Being Destroyed.

Figure 2

Since THE NORTH Has Reaped The Comforts And The Ecological Costs Of Industrialization, The Developed Nations Want The South To Avoid Their Mistakes.

Figure 3

While THE SOUTH Is Anxious To Raise Their Populations Out Of Poverty, The Developing Nations Do Not Want To Pay For Environmental Sins They Did Not Commit.

One In Particular Is The **Ozone Layer**, The Shield That Protects Earth From The Sun's Dangerous **Ultraviolet Rays**, Is Depleting Which In Turn Throws Off The Natural Balance Of The Universe. And That's Just One Aspect Of It's Destruction. There's Violence, Nuclear War, Bombs, Poverty, Chemical Waste, Etc. That Are All Attributing To It's Destruction, So Something Has To Go, Either You Or The Planet.

Figure 4

Did The Bible Prophesy Nuclear Disaster?

This Type Of Information Is Never Taught To You By Your Religious Leaders, Preachers, Imams And Rabbi's Who Give You Their Interpretation Of The End Of The World And Base It's Cause On The Prediction Of The Scriptures That Was Inevitable To Come, **Regardless Of The Part Man Played By Way Of His Selfishness And Greed**.

Religion Itself, Has Made A Major Contribution To The Destruction Of This Planet. If You Were To Scratch All Aggressive Tribalism, Or Nationalism, You Usually Find Beneath Its Surface A Religious Core, Some Older Binding Energy Or Belief Or Superstition. This Paradox Of God-Lovè As A Life-Force, The Deepest Well Of Compassion, Is Capable Of Transforming Itself Into A Death-Force With Destructive Energies Of Belief. Faith, The Sweetest Refuge And Consolation, Is Hardened Into A Sword, A Club, A Torch, A Gun Or Even A Bomb. Religious Hatreds Tend To Be Merciless Which Is Now On View Among The **Hindus** And **Muslims Of India**, Among The **Islamic Fundamentalist** Of **Egypt Or Algeria**,

And Among **Orthodox, Bosnian Muslims,** And **Catholics**. It Was Religion Behind The Killings In **Waco, Texas** With Leader **David Korresh**. It Was Religion Behind The Massacres And Brutal Rapes In Bosnia, And It Was Religion Behind The Bombing Of The World Trade Center.

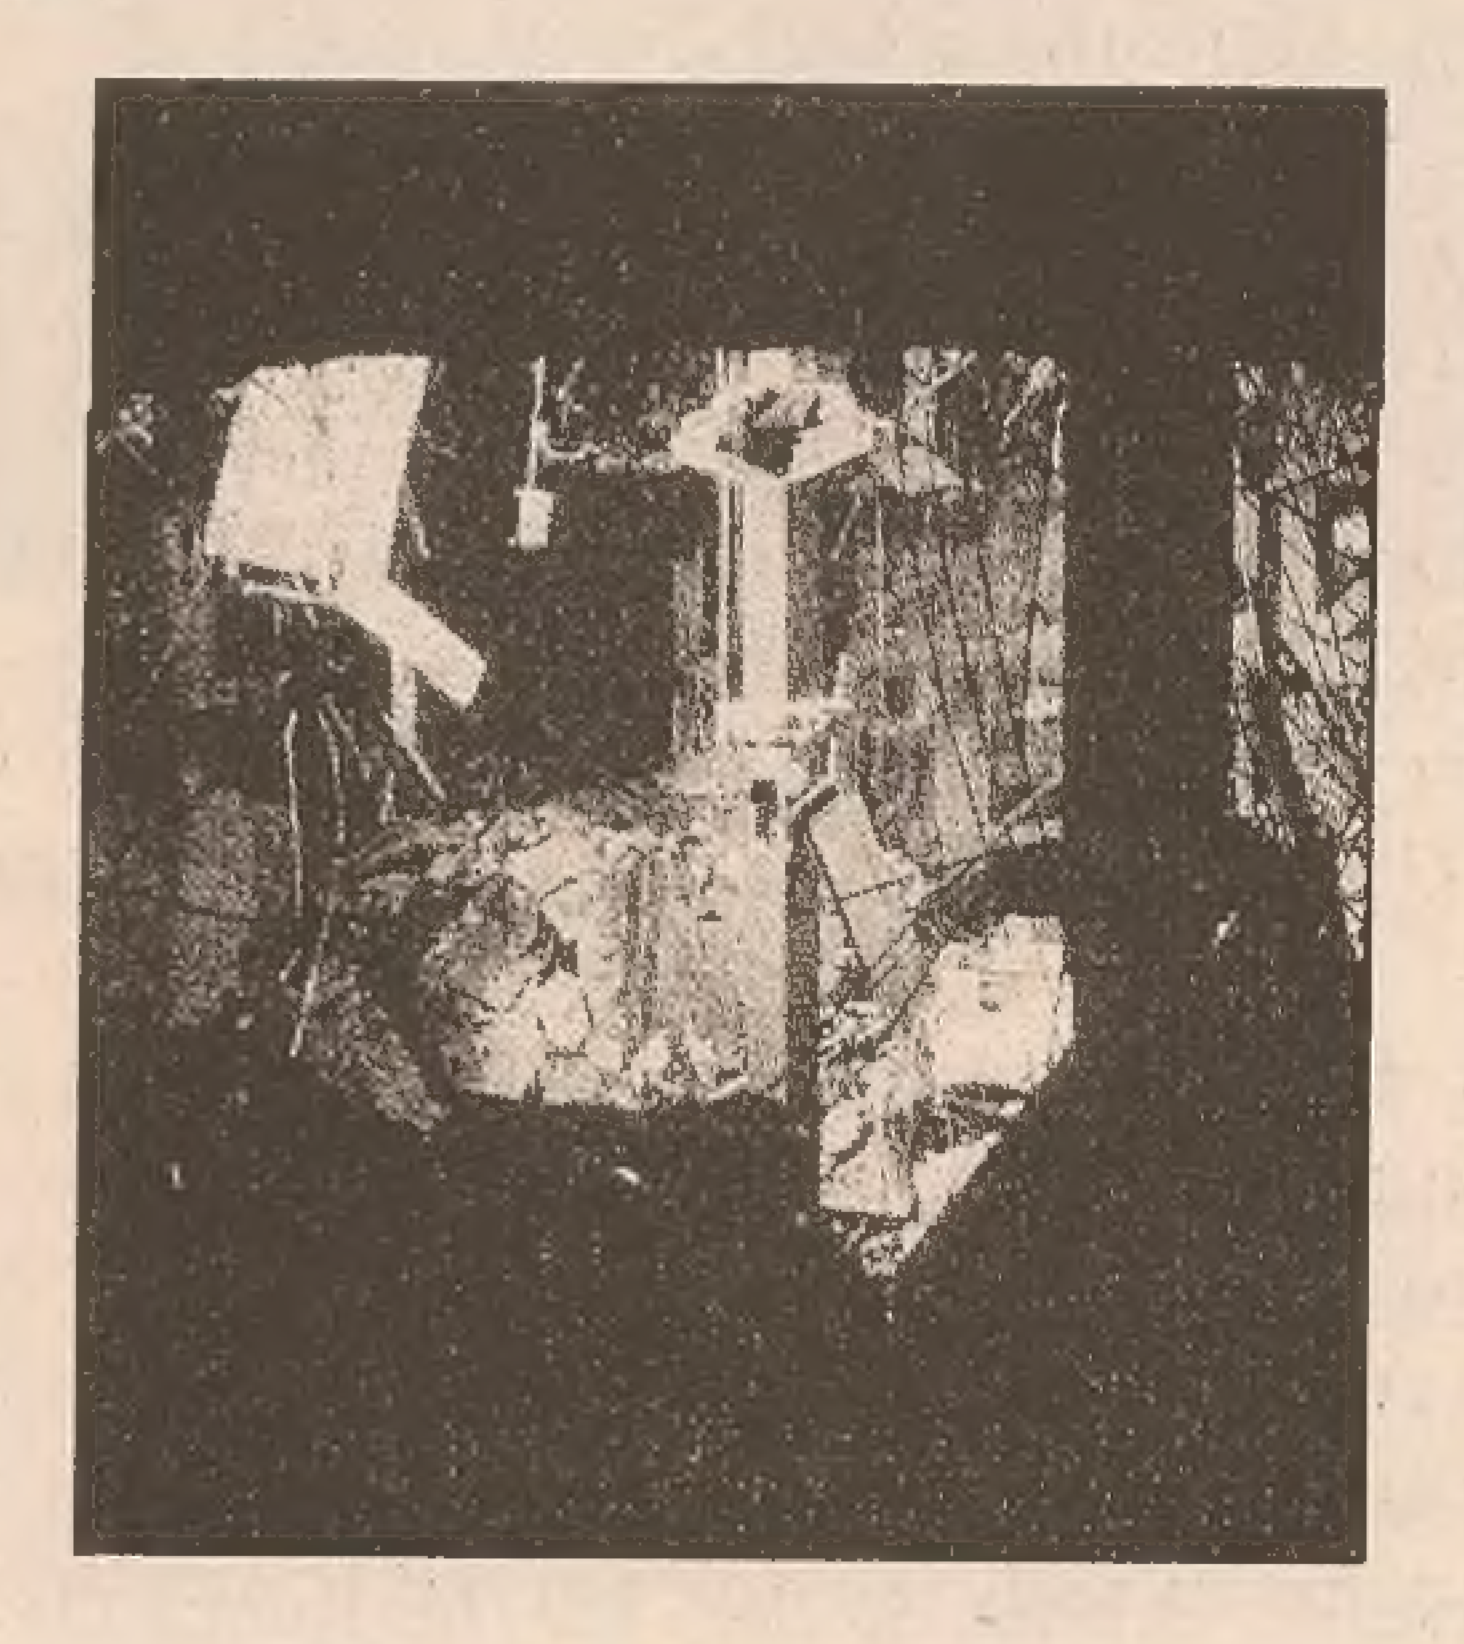

Figure 5
A View Into The Bomb Crater At The World Trade Center.

Figure 6
A Young Refugee In The Besieged Bosnian Town Of Gorazde.

Over Population Is Also Accredited To Its End. Scientist Thought That It Would Be Possible To Produce Abundant Supplies Of Food That Would Easily Take Care Of **5 Billion** To **10 Billion** People. However, A Vast Majority Of People Have Been Added To The Ranks Of The Poor, Not The Rich. There Were **2.5 Billion**

Poor People In **1968 A.D.**, Now, In **1995 A.D.**, There Are **4.2 Billion**.

Figure 7
Men Women And Children Are Starving To Death

This Amount Of Consumption, Is Stripping The Earth Bare. The Question Is, ***"Where Will The Growth Stop?"*** Many Countries Are Now In The Process Of Trying To Restrict Births, Or Will Nature Have To Step In And Clean Up The Planet Allowing Starvation And Diseases Like **A.I.D.S** And Other Plagues To Take Its Course. There Cannot Be An Infinite Population On A

Finite Planet. If You Are Working Against Lowering The Birthrate, Then You're Automatically Working In Favor Of Raising The Death Rate. And Needless To Say **"Mother Nature"** Will Do **"Her"** Part, Your **Earthquakes, Tornadoes, Floods, Droughts,** Etc. May Be Her Way Of Retaliation In Order To Survive. Look At It This Way. You Just Took Everything That Mother Nature Provided For Everyone On This Planet Freely, Bottled It Up And Sold It.

Figure 8

For One: You Took The Land, Chopped Down The Trees, Pulled Flowers And Plants Out Of Their Natural Environment, Planted Fruits And Vegetables In Climates Where They're Not Naturally Grown, And Poured Chemicals In The Ground To Speed Up Their Size And Growth, Then Packaged And Sold Them, Like It Was Yours. And You Wonder Why There Are Earthquakes.

Secondly: You Took The Fresh Clean Air, Polluted It With Cigarette Smoke, Toxic Fumes From Chemicals, And Now You Package Fresh Air And Sell It. And You Wonder Why There's Blizzards And Tornadoes.

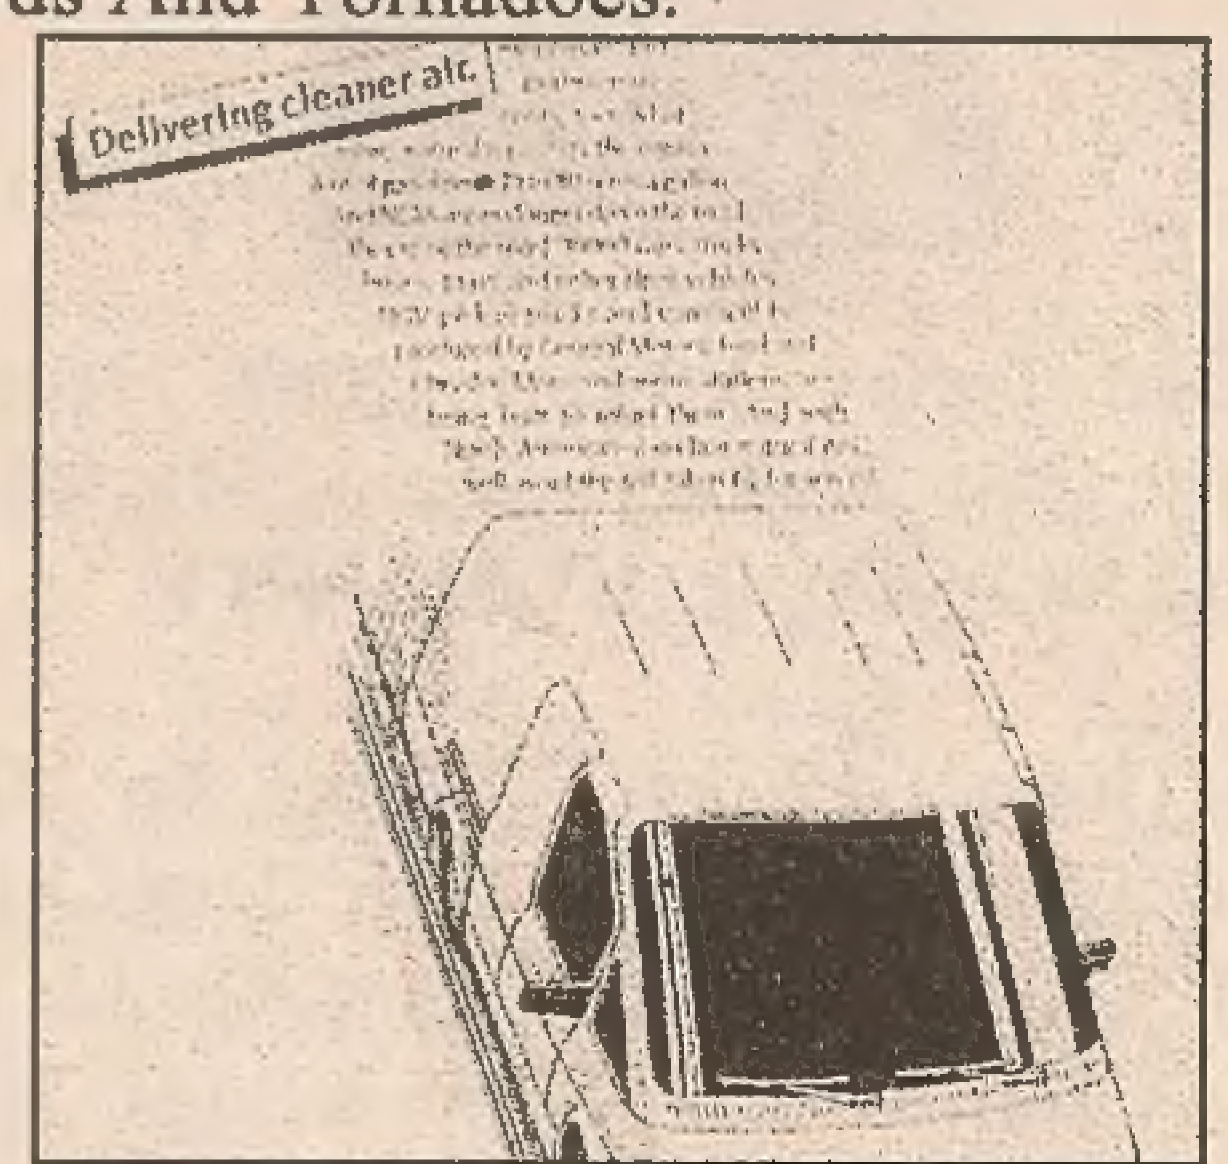

Figure 9

And Thirdly: You Took The Water And Used It As A Dumping Site For Garbage And Chemical Wastes. And Now You Package Clean Water And Sell It, And You Wonder Why There Are Floods And Droughts.

Figure 10

And When I Say **You**, I Don't Mean You Personally, I'm Talking About **Mortal Man** (Enosites) As A Whole, **HUMANITY**.

Another Thing I'd Like To Bring To Mind Is, Did You Ever Stop To Think That All This Mystical Talk About The End Could Be As Simple As Someone, Or Some Beings, With No Religious Concern At All, Who Were Watching The Mentality Of The Inhabitants Of This

Planet, Foresaw The Destruction That Was Coming And Was Trying To Warn You? Or It Could Be As Simple As Someone Or Some Beings, With No Concern For You, Religious Or Otherwise, Who Are Aiding In The Destruction Of This Planet And Their Only Motive May Be For Their Personal Gain (***Refer To Mission Earth, And The Extra Terrestrial Involvement Scroll #82***)? You Can't Be Sure, Can You? Nevertheless, Most Religious God-Fearing People Wish For The End And Have No Idea What The End Entails, Or If It's The End Of The Entire Planet Or The End Of It's Inhabitants. Yet, In View Of The State Of The World, It Has Also Become A Common Thing For Men, Women And Children To Wish For The World To End. And They Want It To End For Various Reasons Which Has Nothing To Do With Religion At All. I'm Saying This Because You Tend To Think That The Only Reason This World Is Coming To An End Is Because It Was Prophesied In Religious Books, Such As The Bible And The Koran. And Every Sect Or Denomination Be They: **1.** Anthroposophy, **2.** Bahaism, **3.** Brahmanism, **4.** Brahmoism, **5.**

Buddism, **6.** Christianity, **7.** Confucianism, **8.** Ethical Culture, **9.** Gnosticism, **10.** Gymposophy, **11.** Hinduism, **12.** Jainism, **13.** Judaism, **14.** Lamaism, **15.** Magianism, **16.** Mandaeism, **17.** Mohammedanism, **18.** Moslemism, **19.** Reincarnationism, **20.** Sabaeanism, **21.** Saivism, **22.** Shintoism, **23.** Sikhism, **24.** Taoism, **25.** Theosophy, **26.** Vedanta, **27.** Vedantism, **28.** Wahabiism **29.** Yogism, **30.** Zen Buddism, **31.** Zoroastranism, **32.** 5%, **33.** Black Muslims, **34.** Hebrew Israelite, **35.** Black Jews, Have Their Own Interpretation Of When And How The End Will Come. What Any Of These Religions Seem To Overstand Is That The Destruction Of This Planet Is Based On Facts. Religious Scholars Don't Want To Adhere To What Scientist Say About The Creation Or It's Destruction, And Scientist Feel The Same Way About Religion. Yet, Both May Contribute To It's Missing Links. Only In Recent Years, You Might Find Some Who Are Beginning To Venture Into Each Others Circles, And Realize That There Is Some Connection As Shown In The **January 11, 1988 A.D.** Issue Of Newsweek Magazine In An

Article Entitled **"The Search For Adam And Eve"**. When Scientist Claim To Have Found Your Common Ancestor; An Ethiopian, Who Is A Nubian Woman Who Lived **200,000 Years** Ago And Left Resilient Genes That Are Carried By All Of Mankind.

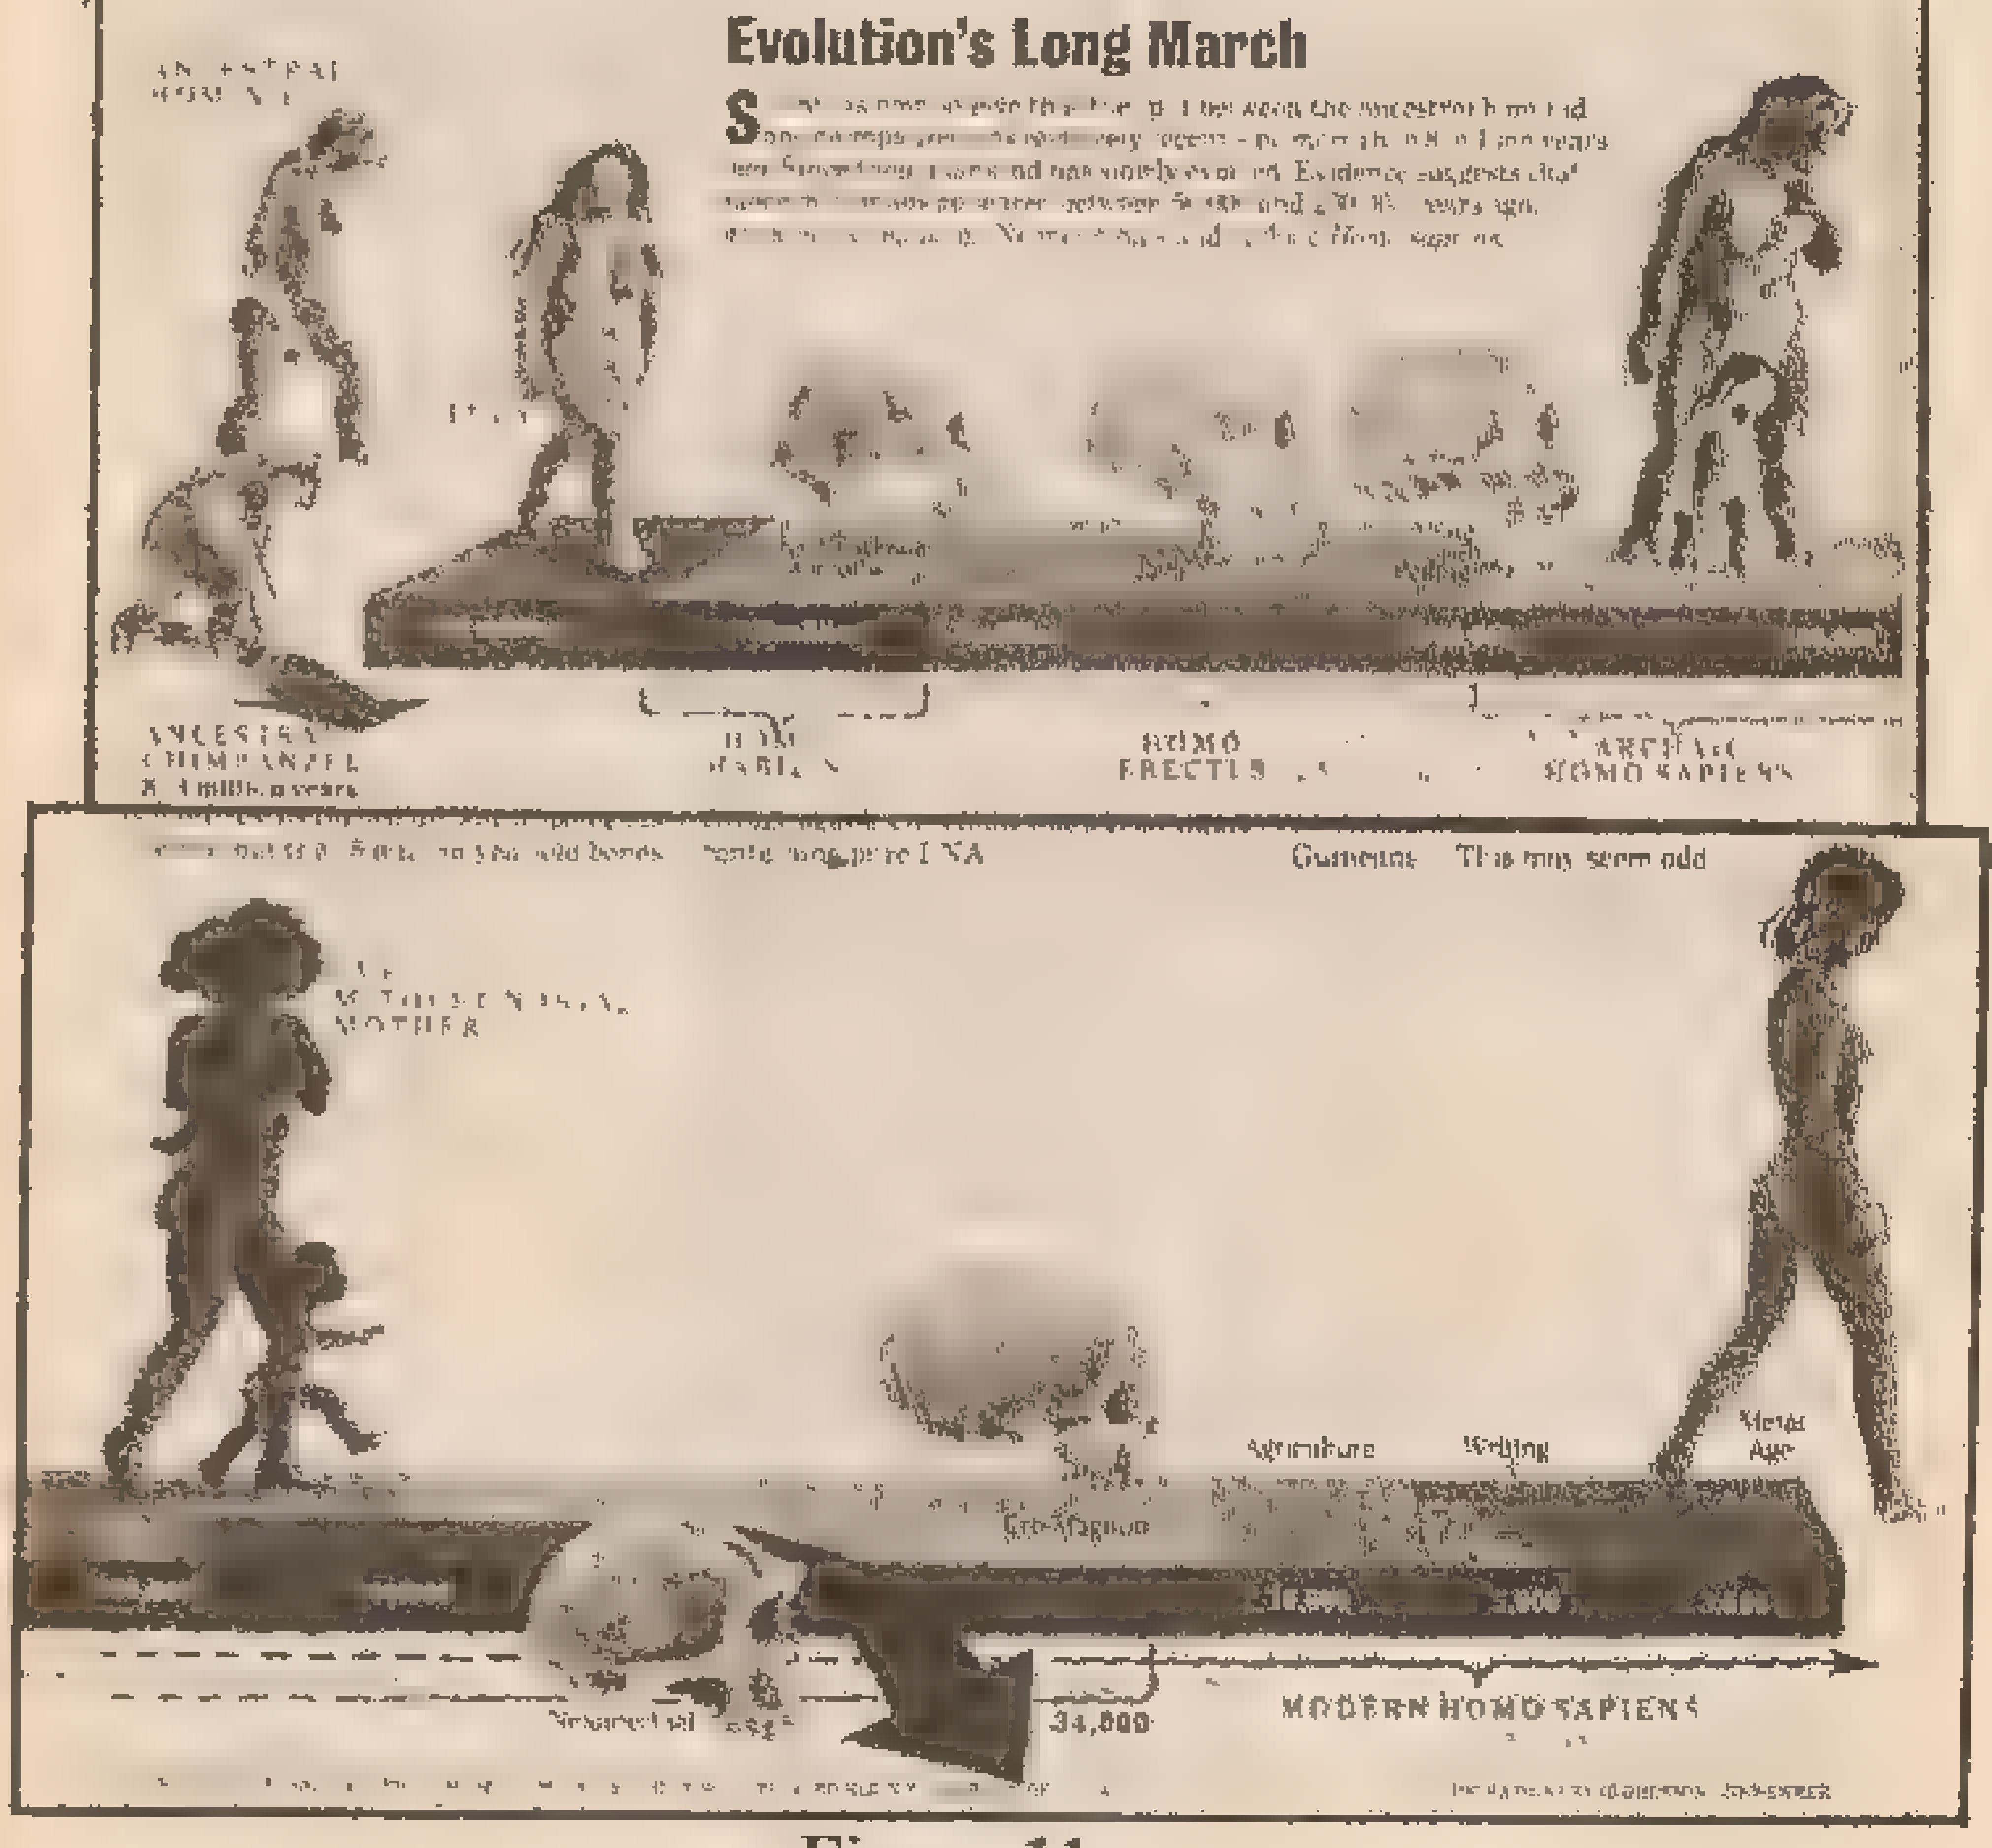

Figure 11

So Now, With All This In Mind, Let's Open Mindedly Talk About The End Based On Facts. And One Is, That There Are Some People Who Don't Want The World To End Because They Feel That This Is Their Paradise And They Will Fight Against Anything That Will Interfere With It Like Animal Activists And Environmental Preservationists.

Figure 12

In Order For Them To Have Acres Of Open Land And Large Beautiful Mansions, How Many Trees, That Aid In The Replenishing Of The

Earth, Have To Be Destroyed? Hundreds Can Be; And Sometimes For Only One Person's Pleasure. What Most People Don't Know Is That Trees Are Of Extreme Importance In Soil Stabilization And Erosion; They Also Protect And Conserve Water Supplies And Prevent Floods And Droughts. Trees Provide Food And Shelter, Homes And Food For Animals, And Also Purify The Atmosphere By Absorbing Carbon Dioxide And Releasing Oxygen. So These People With Mansions Have No Need For Organizations Such As **"The Environmental Protection Agency"** And Will Strip The Earth Of Each And Every Delicacy That They Can Get From It As Long As It's Available And They Can Afford It, So They Think.

Then, On The Other Hand, There Are Children Growing Up That Want The World To End Because They Feel Unwanted, Unloved, And See That There Is No Future, So They End Their Own World By Committing Suicide And This Is Happening More And More Each Year. They Are In The Street Creating A Street Life Of Death.

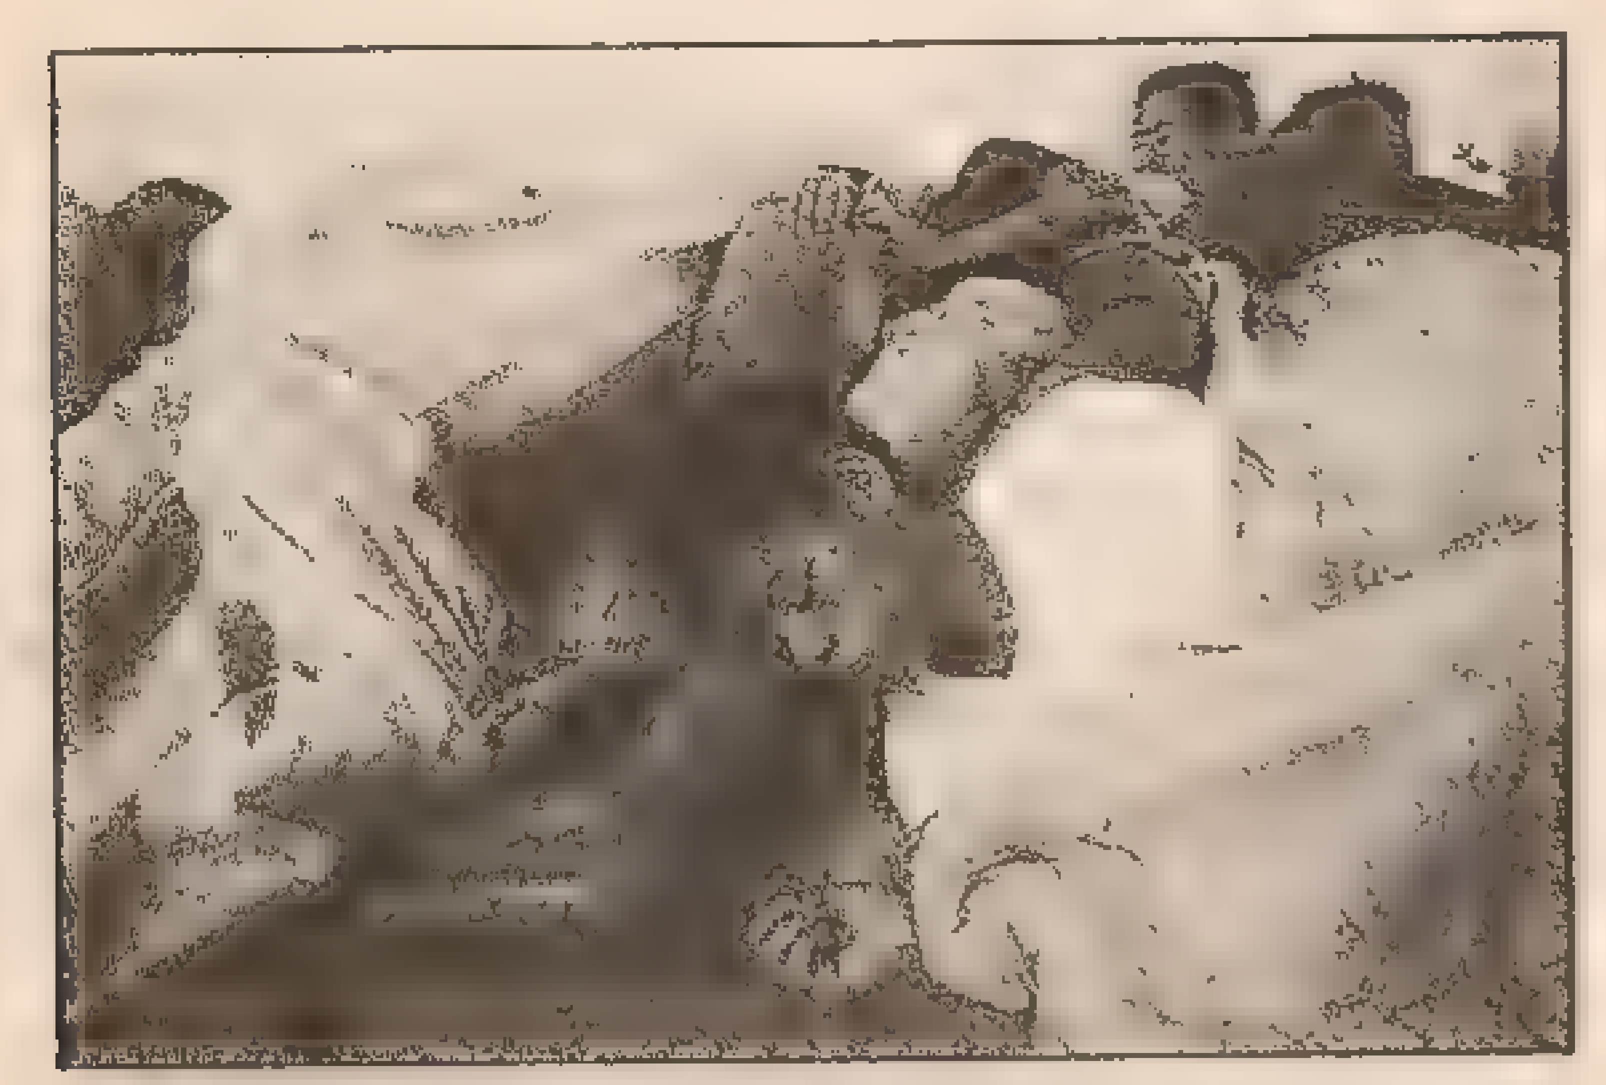

Figure 13

Adults Who Can't Stand What's Happening To Their Children, With Drugs, Gangs, Sex And Violence, Murder Them To End Their World.

Figure 14

And The Elderly Who Want The World To End Just For A Little Peace In A World Full Of Chaos And Turmoil, So They End It By Simply Stop Living And Will Themselves To Die.

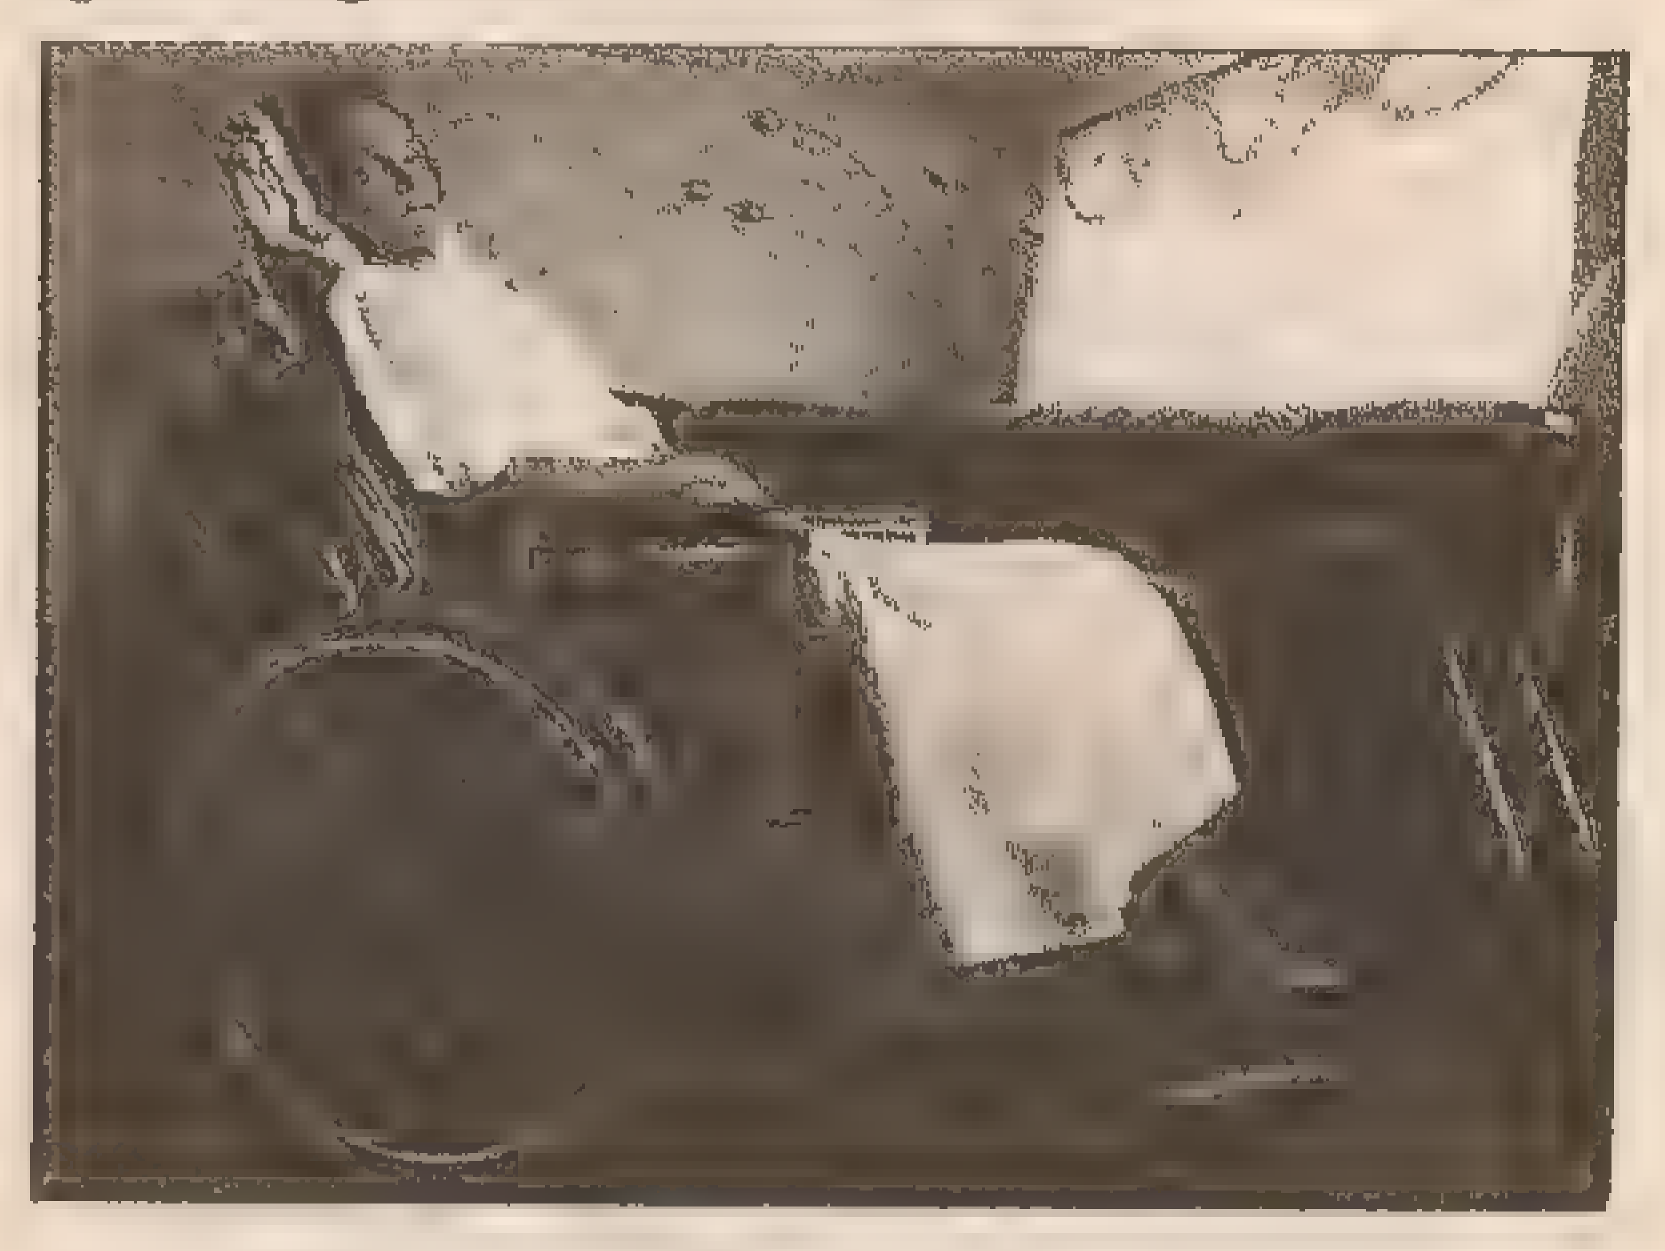

Figure 15

And Now According To The **October 6, 1994 A.D.** Issue Of **"The Atlanta Journal"**, New Groups Have Developed Referred To As **Doomsday Thinkers.** They Depict The World As A Threat And Oftentimes Result In What They Call Revolutionary Suicide Or Mass Murder. Also The Righteous And God-Fearing Want The World To End For The Same

Reasons, But They Choose To Say That **This End** Signifies The Time Of The Return Of The Messiah Jesus.

All Of These People, Be They Scientist, Environmentalist, Leader, Parent, Or Child Believes That **"This End"** Will Relieve Them From The Trials And Tribulation Of This Life. The Same Way Your Grandmother Felt Who Has Been Waiting, For Her Grandmother Who Is Waiting, For Her Grandmother, All The Way Back From Millions And Millions Of People From Centuries Past Who Died Waiting For **The End**. And Now You're Waiting. But What Exactly Are You Waiting For? In Fact, Just What Do You Think The End Is? Are You Prepared For It? What Will You Do When It Comes? This Is Why I Am Writing This Pamphlet So That You And I Can Really Talk About The End. Then You Will Overstand Just What The End Is And What It Entails. And Not Just Sit Around Waiting, When It's Things That You Can Be Doing. The End Of The World Has Purposely Found Its Basis In Your Bible As Stories, In Your Novels As Fiction, And In The

Hands Of Many False Prophets Giving False Predictions Such As:

1. John Wesley Said The End Would Come In **1836 A.D.** The Baptist Proposed **1830 A.D.** And **1847 A.D.**

Figure 16
John Wesley (1703-1791 A.D.), Theologian, Evangelist And Founder Of Methodism.

2. Based On The Text Of ***Daniel 8:14***, A New England Farmer Named **William Miller** Expected The World To End In **1843 A.D.** Or **1844 A.D.** His Followers Pinpointed **October 22, 1844 A.D.** Unwilling To Accept The Great Disappointment That Resulted When **October**

22, 1844 A.D. Passed Without Christ's Return, Some Explained That Christ Began To Cleánse The "Heavenly Sanctuary" On That Date. Thus Gave Birth To The Modern Adventist Movement.

3. Charles Tazzell Russell, Whose Public Bible Studies Formed The Foundation Of **The Watchtower Bible And Tract Society,** Said Christ Had Returned To Earth In **1874 A.D.** And Would Begin His Visible Reign In **1914 A.D.**

Figure 17

Jehovah's Witness Literature Now Speaks Of The Creators Promise Of Peaceful And Secure New World Before The Generation That Saw The Events Of **1914 A.D.** Passes Away, Again In **1916 A.D.** And **1918 A.D.**, Each Time Stating

The Word Came From The Creator Whom He Called Jehovah.

4. Contemporary Failed Speculations Include **Edgar C. Wisenant.** Who In **1988 A.D.** Listed **88** Reasons Why The Rapture Will Be In **1988 A.D.** (When Christ Failed To Return, He Predicted The Rapture Of **1989 A.D.**); A Georgia Book That Placed The Rapture On **October 8, 1992 A.D., At 12:55 P.M.** Eastern Daylight Time; And A Korean Prophet's Assertion That The Rapture Was Set For Midnight, **October 28, 1992 A.D.** (In South Korea, **20,000** Christians Left School Or Quit *Jobs To Await The End).*

The Makers Of These Predictions Are Of Several Varieties. They Are **Religious Prophets Of Warning, Mystic Prophets, Seers** Who Seem To Dream Unintentionally Of Future Events Without Living To See Their Prophecies Fulfilled. Then There Are The Scientific Interpreters Of Trends And Likely Possibilities Of Doom Who Frequently Indicate, Supported By The Evidence Of Astronomy, Geology,

Meteorology, And Even Economics, An Even More Complete Destruction Than Many Of The Prophetic Visions From The Past.

The Scientific Prophets Of Today Foresee The Devastating And Eventual Destruction Of The Earth Through Uncontrolled Industrialization; General **Famine,** Resulting From Over-Population And Food Distribution Breakdown; Disastrous Climatic Variation And **Flooding** Through The Hothouse Effect, To Excessive Carbon Dioxide In The Upper Atmospheric Layers; And The **Poisoning Of The Oceans And The Destruction Of The Sea's** Ability To Renew Life. These Are Things That The Bible Never Mentions As Well As **Droughts, Blizzards, Forest Fires, Hurricanes, Tornadoes, Volcano Eruptions, Ozone Depletion**, Etc. And These Prophetic Misfires Destroys The Trust Of Innocent Minds Who Are Looking For Answers.

Ques: What Is Meant By The End Of The World?

Ans: The End Of The World, Is The End Of All Life On The Planet Earth, Meaning Men, Women, Children, Animals, Plants, Fish, Fowl, Etc. As In The Time Of **Noah** Of The Bible **(*Genesis 6:13*)**. However, This End Could Also Lead To The End Of The Earth Bringing It Back To The Ice Age. There Are Basically Two Views Of The End, The Bible's Point Of View Which Only Deals With Someone Coming To Save You. And The Scientific Point Of View Which Deals With Cause And Effect; This Is What Caused It, And These Are The Effects. Neither Knows How And When The End Will Come, That Would Be Determined On Man, Nature, And/Or The Universe. However, The Fact Still Remains That **"THE END IS INEVITABLE"**. The Bible (Old And New Testaments), And The Koran Doesn't Tell You About All The Other Things Going On Around You Like The **Natural Disasters.** They Also Never Tell You About **Extraterrestrial** Involvement Which Is Mentioned All Throughout The Bible. For Example, In The Old Testament When It Says That God Came Down In ***Genesis 11:5,*** And I Quote: *"And The*

Lord (YAHWEH) Came Down *To See The City And The Tower, Which The Children Of Men Built."* Now Does It Really Make Sense To You That The **ALL MIGHTY, ALL SEEING, ALL KNOWING GOD** Would Come Down To See A Small City, When He Created Universes. How Belittling. The Word Used For ***"Came Down"*** In Aramic (Hebrew) Is **"Yarad"** (ירד) Meaning *"To Go Down, Descend, Decline".* The Same Word **"Yarad"** Is Used In ***Genesis 15:11*** When Birds ***"Came Down"*** And I Quote: *"And When The Fowls* ***Came Down*** *Upon The Carcasses."* So If The Same Word **"Yarad"** Is Used For Both God And Bird Descending, Then This Verse Is Simply Saying That God **Simply Came Down**. And If God Is In Heaven As Stated In ***Revelation 3:12*** Which In Greek Is **"Ouranous"**(οθπαωοσ) Meaning **"Orion"**, The Sixth Star Constellation, Then He Came From An Actual Place That Can Be Found In Astronomy Books Such As **"Star Watch"** By **Ben Mayer, Pages 26-29**. And If The Saying Is True That **"God Holds The World In The Palm Of His Hand"**, He Would Not Have Been Able To Come Down And Fit On Such A Small

Planet As Earth. Think Now And Don't Say What The Bible Does Not Say Like, This Meaning Or That Meaning, It's Just What It Says.

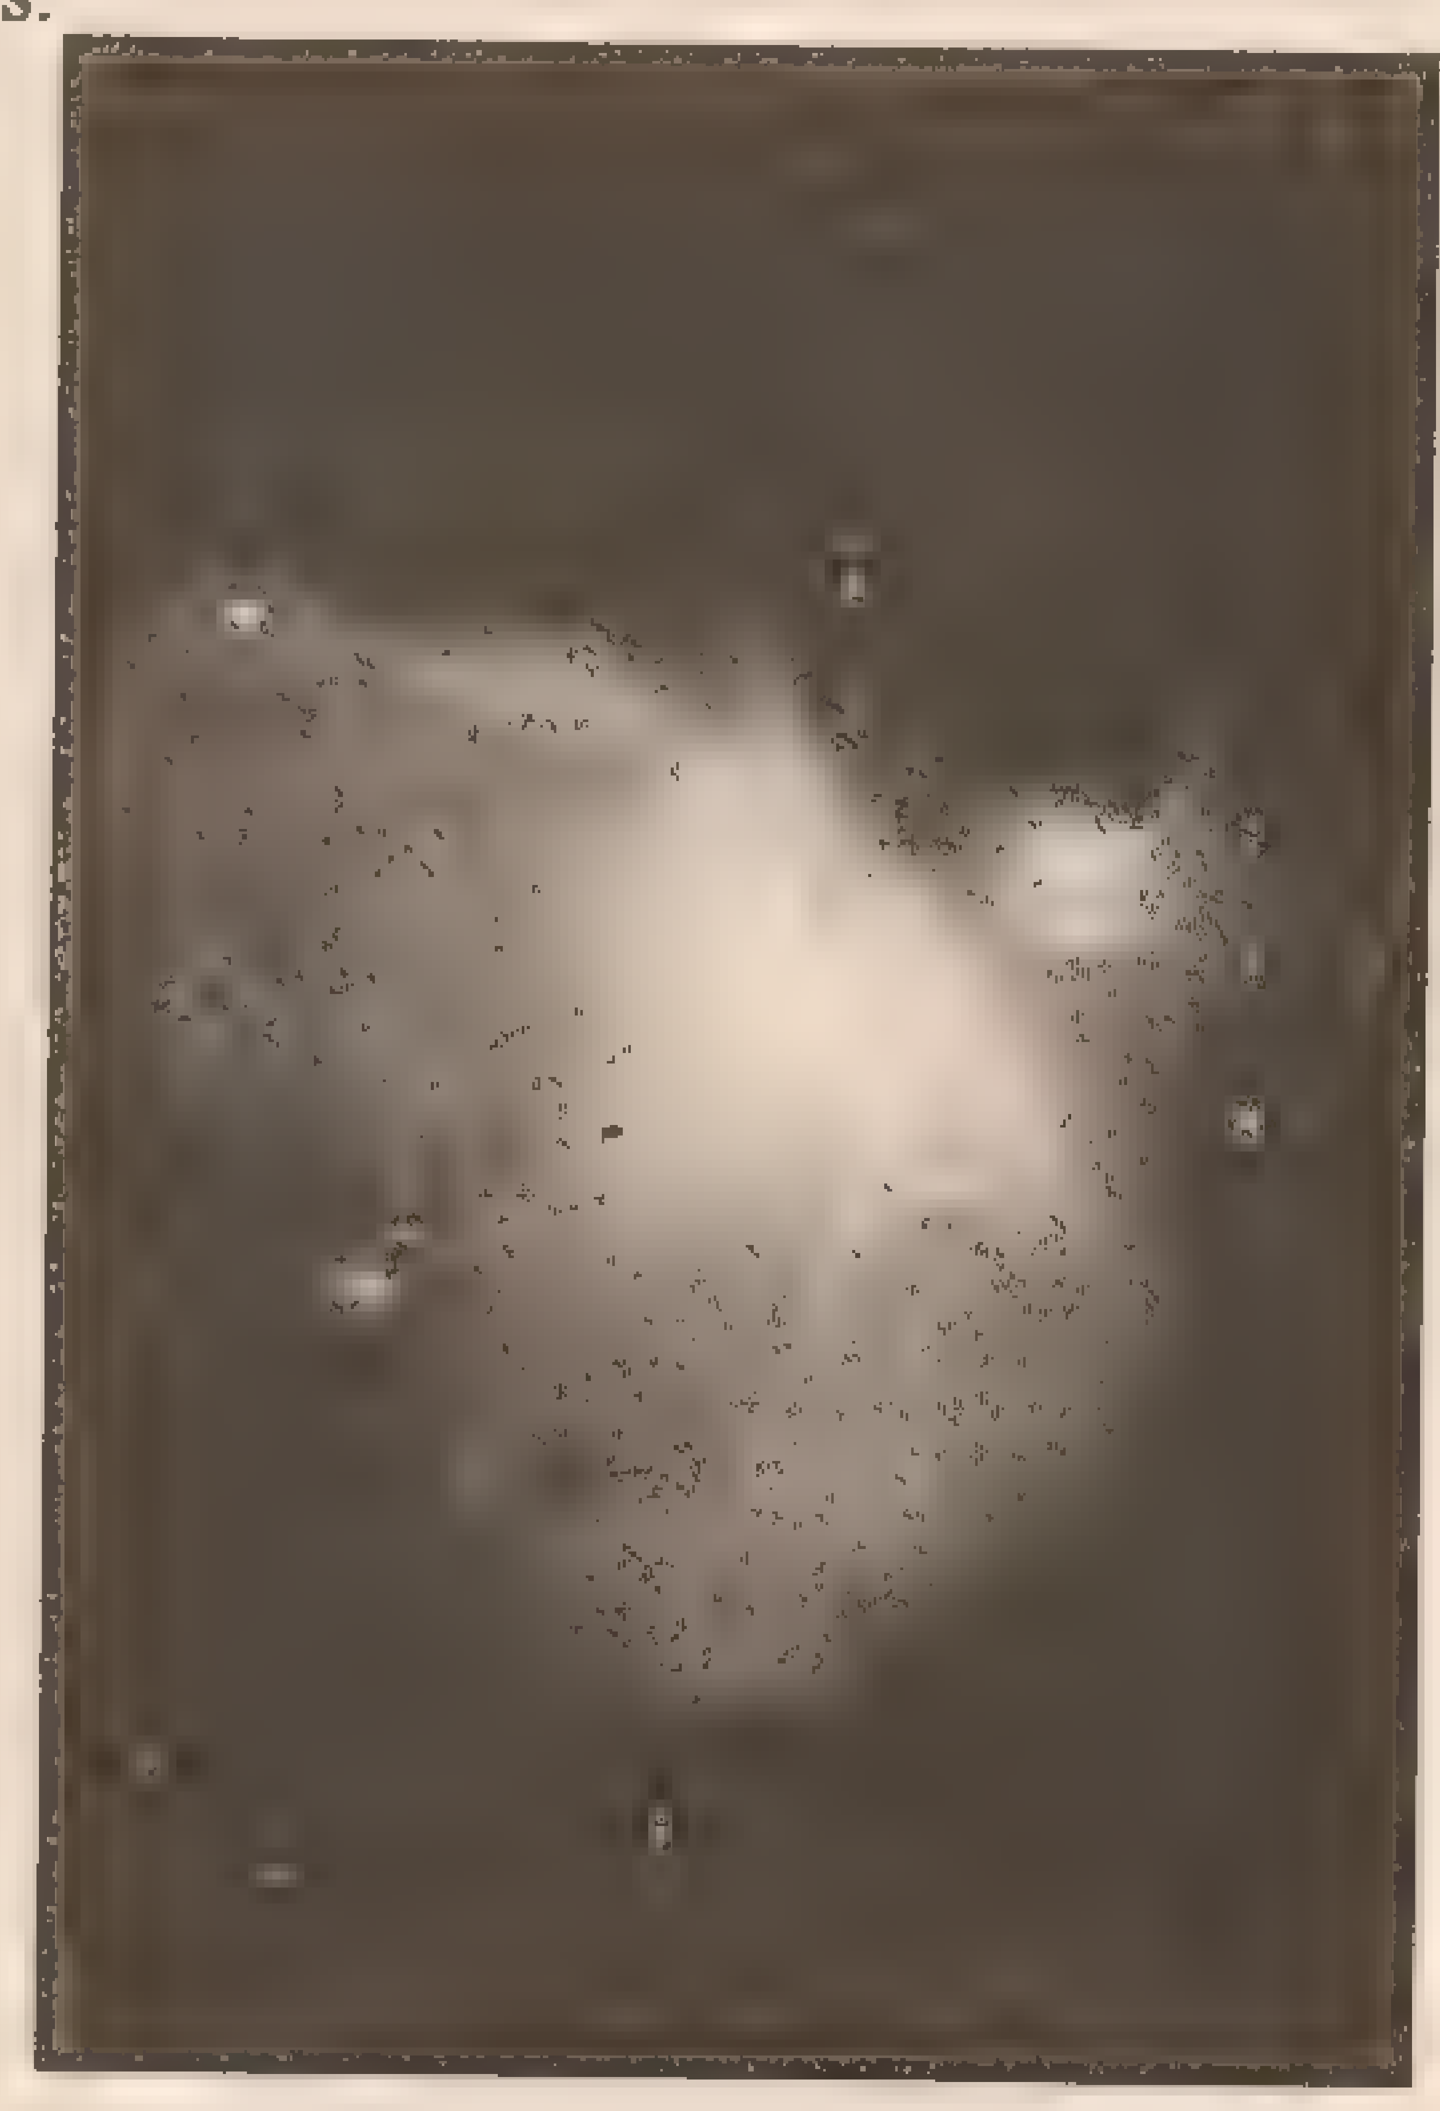

Figure 18
Orion Star Constellations

So This God, In ***Genesis 11:5*** That Came Down To Earth Would Indeed Have Been An **Extraterrestrial** According To It's Definition Which Is:

> **Extra** - *A Prefix Signifying Outside, Outside The Scope Or Region Of, Beyond, More Than, Besides.*
> **Terrestrial** - *Pertaining To The Earth, Existing On The Earth.*

This Means That Anybody Or Anything That Came To Earth That Was Not Originally On The Earth Is An **Extra-Terrestrial**. So According To ***Genesis 11:5*** God Is An **Extra-Terrestrial** And There Are Many Other Accounts That Can Be Found In The Bible Regarding **Extraterrestrial** Involvement, As Well As In The Koran For Instance:

1. The Sons Of God That Came To The Daughters Of Men ***(Genesis 6:4 [Agreeable] - 6:2 [Disagreeable])***.

2. Mysterious Clouds ***(Numbers 10:34)*** And Burning Bushes ***(Exodus 3:4)*** That

Spoke. (***Refer To Mystery Clouds, Are They UFO'S, Scroll #91***)

3. Angels With Trumpets ***(Matthew 24:31)***

4. Angels Came On Errands ***(Koran 97:4)***

5. Muhammad's Ascension ***(Koran 17:1)***

What You Call Angels Come From Heaven Up Out There Somewhere. Some Even Come In Human Form In A Physical Body And Can Be Agreeable, Like The **ANUNNAQI** Referred To In Your Bible Or Koran As Gods Or Angels; Or They Can Be Disagreeable, Reptilians Referred To As The Devil Or Iblis And His Host (***Refer To Are There (UFO'S) Extraterrestrials In Your Midst, Scroll #84***).

These Are Just Examples, That If Taken Out Of Mysticism And Brought Down To Reality, You Can See Without A Doubt, That **Extraterrestrials** Have Been In Your Midst, Even Before The Bible Was Assembled And Can Be Scientifically Proven.

Ques: So Was The Flood Of Noah Considered The End Of The World Also.

Ans: It Depends On How You Want To Look At The Word **"World"**. If You're Looking At It As The Planet Itself, Then I'll Say No. But If You're Looking At It As The Inhabitation Of The Earth, Then I'll Answer This Question By Going Straight To The Bible In ***The 7th Chapter Of Genesis*** Where Many Believe Is The First Destruction Of The Earth. This Chapter Narrates The Events Of The Flood That Destroyed The Earth During **Noah's** Time. It Was The End For Those Of His Time.

Figure 19
Noah Son Of Lamech And Kamilah

This Destruction Was The End To All Life Forms, Which Is Stated In ***Genesis 7:21*** And I Quote: *"And **All Flesh Died That Moved Upon The Earth,** Both Of Fowl And Of Cattle, And Of Beast, And Of Every Creeping Thing That Creepeth Upon The Earth, And Every Man."* Note That This Verse States, **"Upon The Earth" ('Ehrets** (ארץ) In Aramic [Hebrew]**)** Meaning ***"On, Or Up And On"***. So The Planet Earth Was Not Destroyed At This Time, Only ***The Living Flesh,*** That Was **Up-On** The Earth. And Therefore, The Only End Here Was, What Could Be Noted As The Mass Murdering Of All Living Beings. Every Man, Every Animal, And Every Insect Was Killed On The Face Of **The Earth**. As Previously Mentioned, The Meaning Of The Word **"Earth"** According To **Webster's Dictionary,** Which I Never Overstood Why This Book Was Called A Dictionary When It Is Full Of Definitions. It Makes Sense To Call It A **"Definitionary"**, Right. It Says That The Earth Is: *"The Planet That We Live __On__"*. So **Earth** Would Be, **The Whole, Entire Planet**, Not Just It's Inhabitants. Yet, According To ***Genesis 7:21*** It Says, ***All Flesh*** Were Destroyed On The Earth, Or As They Said, **"Died"** Which Is **Gawa** (גוע) In Aramic (Hebrew), Meaning, *"To Expire,*

Die, Perish". There's A Contradiction Because **Noah**, His Family, And Two Of Every Living Thing Of All Flesh That Existed At That Time, **Lived**, As Stated In ***Genesis 6:19.*** Now If This Verse Is Saying That **All** Flesh Was Destroyed Upon The Earth During The Flood, Then Where Did **Noah** Come From Because He And His Family And Animals Would Be Included In The **All** (**Kol** (כל) In Aramic [Hebrew]) Who Died. And **Webster** Defines The Word **"All"**, As: *Wholly, Completely; Entirely; Considering Everything; As A Whole, Everything"*. So This Definition Verifies That **Noah** Should Have Been Included, Where It Said **All Flesh Died** Which Is Past Tense Meaning, It Already Happened. So If **Noah** And His Family Were Not A Part Of The All That Died, Then Where Were They? Okay, You Can Say That They All Were On The **Ark**. But Then The **Ark** Couldn't Have Been On The Earth With Living People In It Because It Was Still On The Earth Which Would Mean Again, They Would Have Been A Part Of The **All Flesh That Died**. As Specified In ***Genesis 7:21.*** So According To That, **Noah** Couldn't Have Been On The Earth During The Flood Or Else He Would Be Counted Amongst The Dead. Now Where Was This **Ark**? It

Couldn't Have Been On The Earth. Either This Is Another Contradiction In The Bible, Or The **Ark** Was Actually Hovering Above The Water And Not Resting Up-On The Earth, Or The Water That Was On The Earth. What Makes This Difficult For You To See Is That You Were Taught And Programmed That This **Ark** Was Some Type Of Boat; And It's Written In Every Version Of The Bible, In Movies, In Novels. Etc. That **Noah** Built A Big Boat. But If You Go To The Hebrew Language And Look At The Word They Translated As **Ark**, Which Is The Word **"Tebah"** (תבה) Meaning **"Vessel"**, You Will See That The **Ark** Being A Boat, Was Only Implied. So Someone Threw The English Word **"Ship"** In, Which If Questioned, Could Be A Boat Or A Craft, And Is One Of The Reasons Why The English Language Is A Language Of Confusion. So Either You Have To Openly Admit That The Bible Is Contradicting Itself By Saying That, **All Flesh Died**, Which Also Means **Noah** And His Crew. Or Openly Admit That **Noah**, His Family And Animals Were Actually Hovering Over The Earth In A Craft Or Vessel. In An Article Entitled ***"There Is Life On Mars"*** Taken From The Winter Issue **"U.F.O. Universe"**, It States That:

"The Christian Belief Is That The Ark Sailed To Safety On A Distant Mountain Top, Perhaps Mount Arafat. But The Legends Of Many Primitive Earth People Would Have Us Look Elsewhere For The Final Destination Of The Ark And Its Passengers. These Legends Describe The Ark As Having The Shape Of A Barrel Rather Than A Ship."

Figure 20
Noah's Ark In The Shape Of A Barrel Or A Ship

When Examining Earth Legends Perhaps We Find That These Unspoiled Folk Tales Of Primitive Earth People Are More Accurate Than Our Present Sophisticated View Of The Ark As A Ship. What Better Way For A Primitive People To Describe A Spaceship, Which Is Round And Elongated Than Like A Barrel? It Is Possible That The Ark Was Not A Ship That Sailed The Seas Of Earth, But A Spaceship That Sailed Through Space To Safety On A Distant Planet Of Our Solar System?"

In ***Genesis 6:14*** The **ELOHEEM** Told **Noah** To Construct A Craft And They Would Levitate It.

So The End They Are Referring To During The Time Of **Noah** Is Just Talking About The End Of All Flesh, Not The Planet, Itself. As For The End Of The Planet Earth, It Has Yet To Come.

Ques: Why Did God Destroy The Earth During Noah's Time?

Ans: If You Go Back To The ***6th Chapter Of Genesis, The 5th Verse***, It Reads: *"And God Saw That The **Wickedness Of Man Was Great In The Earth, And That Every Imagination Of The Thoughts Of His Heart Was Only Evil Continually**"*. And The **6th Verse** Tells How He Felt About The Development Of This Man That He Created And His Reason For Killing All The Flesh Upon The Earth, And I Quote: *"And **It Repented The Lord That He Had Made Man** On The Earth, **And It Grieved Him At His Heart.**"* Let's Just Stop Here. First Of All, This Verse Is Telling You That, The **ALL KNOWING GOD**, Who **KNOWS YOUR HEART** As Stated In ***Luke 16:15***, And I Quote: ***"God (THEHOS) Knoweth Your Hearts"***; Who **KNOWS YOUR THOUGHTS** As Stated In ***Psalm 94:11*** And I Quote: ***"The Lord (YAHWEH) Knoweth The Thoughts Of Man"***. In Fact, According To Your Bible, God **KNOWS ALL THINGS** As Stated In ***1 John 3:20*** And I Quote: ***"God (THEHOS) Is Greater Than Our Heart, And Knoweth All Things"***. Wouldn't An **ALL KNOWING GOD**, Who Knows **All Things**, Even Down To Your Very

Heart, KNOW That Man, Whom He Created, Would **Be Evil** (**Rah** [רע] Disagreeable) And Eventually **Do Evil**. And If God Already Knew That *Man's Every Imagination Would Be Evil*, Why Should He Be **"GRIEVED" ('Astsab** (עצב) In Aramic [Hebrew], Meaning, *"To Hurt, Pain"*) For Something That He Knew Was Going To Happen. And Why Should It **"REPENT" (Nachum (נחם),** In Aramic (Hebrew) Meaning, *"To Be Sorry"*) Him, That He Made **Man** (**Adam** (אדם) In Aramic (Hebrew), To The Point Where He Would Destroy Him. And If You Were To Step Out Of The Scriptures Into A Court Of Law, How Different Would That Be To Someone Convicted Of Killing Their Child Because He Was An Incurable Dope Addict. And Then This Same Man Went Around Killing All Of The Dope Pushers Because He Was Grieved To His Heart And Felt That These Dope Pushers Would Sell Dope To Children Continuously? And How Different Would That Judge Be Who Condemned This Man To Death Who Killed These Dope Pushers. And How Different Would That Be For The Person Who Had To Pull The

Switch That Murdered This Man, And So On And So On. But That's If You Stepped Out Of The Scriptures. Or Does This Fall Under The Jurisdiction Of A President Of A Country Who Can Send Troops Over To A Country And Mass Murder Millions Of People?

It Seems That God Never Said The Creation Of Man Was **"Good"** Or **"Tobe"** (טוב) in Aramic (Hebrew) Meaning ***"Agreeable"*** Anyway, If It's According To **Genesis The First Chapter,** When God Said, Or I Should Say **"These Gods",** Because The Word **"God"** In These Verses Is Translated From Aramic (Hebrew) Which Uses The Word **"Eloheem" (אלהים)** The Plural For The Word **"God"**. So These **Eloheem** Said Everything They Created Was Good, Until Man.

1. ***Genesis 1:4*** *"And God* ***(ELOHEEM)*** *Saw The Light, That* ***It Was Good."***

2. ***Genesis 1:10*** *"And God* ***(ELOHEEM)*** *Called The Dry Land Earth; And The Gathering Together Of The Waters He Called Seas: And God* ***(ELOHEEM)*** *Saw That* ***It Was Good.***"

3. ***Genesis 1:12*** *"And The Earth Brought Forth Grass, And Herb Yielding Seed After His Kind, And The Tree Yielding Fruit, Whose Seed Was In Itself, After His Kind; And God* ***(ELOHEEM)*** *Saw That* ***It Was Good"***.

4. ***Genesis 1:18*** *"And To Rule Over The Day And Over The Night, And To Divide The Light From The Darkness: And God* ***(ELOHEEM)*** *Saw That It* ***Was Good."***

5. ***Genesis 1:21*** *"And God* ***(ELOHEEM)*** *Created Great Whales, And Every Living Creature That Moveth Which The Waters Brought Forth Abundantly, After Their Kind, And Every Winged Fowl After His Kind: And God* ***(ELOHEEM)*** *Saw That* ***It Was Good.***"

6. ***Genesis 1:25*** *"And God* ***(ELOHEEM)*** *Made The Beast Of The Earth After His Kind, And Cattle After Their Kind, And Every Thing That Creepeth Upon The Earth After His Kind: And God* ***(ELOHEEM)*** *Saw* ***That It Was Good."***

And In ***Genesis 1:27*** It Says, And I Quote: *"So God **(ELOHEEM)** Created Man **(ADAM)** In His Own Image, In The Image Of God **(ELOHEEM)** Created He Him; Male **(Zakar)** And Female **(Nekaybaw)** Created He Them".* And Then The Bible Goes On To Say In The ***28th Verse*** And I Quote: *"And God **(ELOHEEM)** Blessed Them; And God **(ELOHEEM)** Said Unto Them, "Be Fruitful And Multiply, And Replenish The Earth, And Subdue It..."* According To The Bible, God Said Nothing About The Creation Of Man Being **Good** Or **Agreeable** As He Said With All Of His Other Creations, Which Would Then Bring You To Another Question Which Is, If He Knew That Man Was Evil, Then Why Did He Kill All The **Animals, The Insects, Etc**., If Indeed **Man Only** Was Evil, As Stated In **Genesis 6:5**? No One Ever Questions This? And Remember, According To ***Genesis 1:21*** And ***25,*** The Animals Were Good, From The **Great Whales, And Every Living Creature That Moveth Under The Water;** To **Every Winged Fowl Of The Air**; To **The Beast And Cattle**; Down To **Every Thing That Creepeth Upon The Earth** And Anything After Their Kind. Of

Course, You Might Say That Animals Are Not As Important As Humans Beings, And Feel That Animals Are Obsolete, That Is, Until Your Next Meal. However, God Himself Considered Animals A Good Part Of His Creation.

Ques: Was The Flood Of Noah The First Destruction Of The Planet Earth.

Ans: No, It Was The Fourth. The First Destruction Was By Ice Glaciers. The Second Was **17,250,000** Years Ago Which Was Destroyed By A **Shower Of Meteorites** That Hit The Earth When The Evolution Of Man And Animal Occurred From The Water From The First Living Cell That Evolved On Land. While On Land They Inherited Skin From The Dirt Which Took Billions Of Years.

Early Earth Was Composed Of **Ammonia** And **Methane Gases** And Water. While These Gases Were In The Water Upon The Earth, The Exposure Of **Ultra-Violet Rays** From The Sun Caused These Gases To Form Simple, Organic Molecules Which Began To Form Larger

Molecules, Until Protein Was Formed. Eventually This Formation Ultimately Resulted Into The Prototype Of The Living Cell Which Occurred **46 Trillion Years** Ago. The Stage After The Evolution Of The First Cell, Involved The Development Of The First Animals. **24 Trillion Years** After These Were The Single-Celled Organisms Known As **Protozoa** (**"Proto"** Meaning ***"First In Time"*** And **"Zoa"** Meaning ***"Animals"***) The Next Group Of Animals Were The **Metazoans**. The **Metazoans** Were Composed Of Tissues, Organs, And Systems. These Animals Multiplied And Diversified, And Over A Period Of **19 Million Years** Evoluted Into Man And Many Types Of Animals. This Was The First Evolution Of Life On Your Planet, Then Called **Qi**. These Inhabitants Went Through Many Changes Such As The Ice Age, Glaciers, Volcanoes, And Earthquakes. During This Time There Was Also The Problem Of Dinosaurs. Evolution Of The Dinosaurs, Which Means Great Lizards, And Man Were Imbalanced To The Point That The Dinosaurs Were Much Bigger Than Man And Were Killing Them Off. There Was Not Enough

The Dinosaurs Or The Humans. The Carnivores (Meat Eaters) Were Killing Off Both Man And The Herbivores (Plant Eaters).

Figure 21

Figure 22

Because Of The Killings, There Were Many More Dinosaurs Than Humans, And The Dinosaurs Ruled. Man Lived In Constant Fear Of His Predator. So A Shower Of Meteorites Was Necessary To Start A New Population, But With Smaller Animals. Human Beings Were To Be In Control In The Planet Earth. These

Meteorites Came Upon The Earth Like Great Balls Of Fire.

The Third Meteorite Shower Which Destroyed The Planet Earth Was **14 Million** Years Ago That Led Into The Reconstruction And Replenishing Recorded In Genesis Of Your Bible (***Refer To The Holy Sabbath, Scroll #4***).

Ques: What Are Meteorites?

Ans: Meteorites Are Stony Metallic Material Of **Meteoroid** That Survive Passage Through The Atmosphere And Reaches The Earth's Surface. They Have Been Called **"Shooting Stars"** Because Of Their Appearance. In Actuality They Are The Results Of **Meteoroids** Entering The Earth's Atmosphere. The Partly Gaseous Matter Enters The Upper Atmosphere At High Speed **(35-95 Km/Per Second Or 22-60 Mi/Per Second)** And Burns Up Its Energy, Producing The Familiar Shooting Star Effect. **Meteoroids** Are Any Of Numerous Celestial Bodies, Ranging In Size From Specks Of Dust To **Asteroids** Weighing Thousands Of

Tons, Which Appear As **Meteors** When Entering The Earth's Atmosphere.

Meteorites Plunge To Earth In A Fiery Ball With Such Force That They Cause Craters In The Earth.

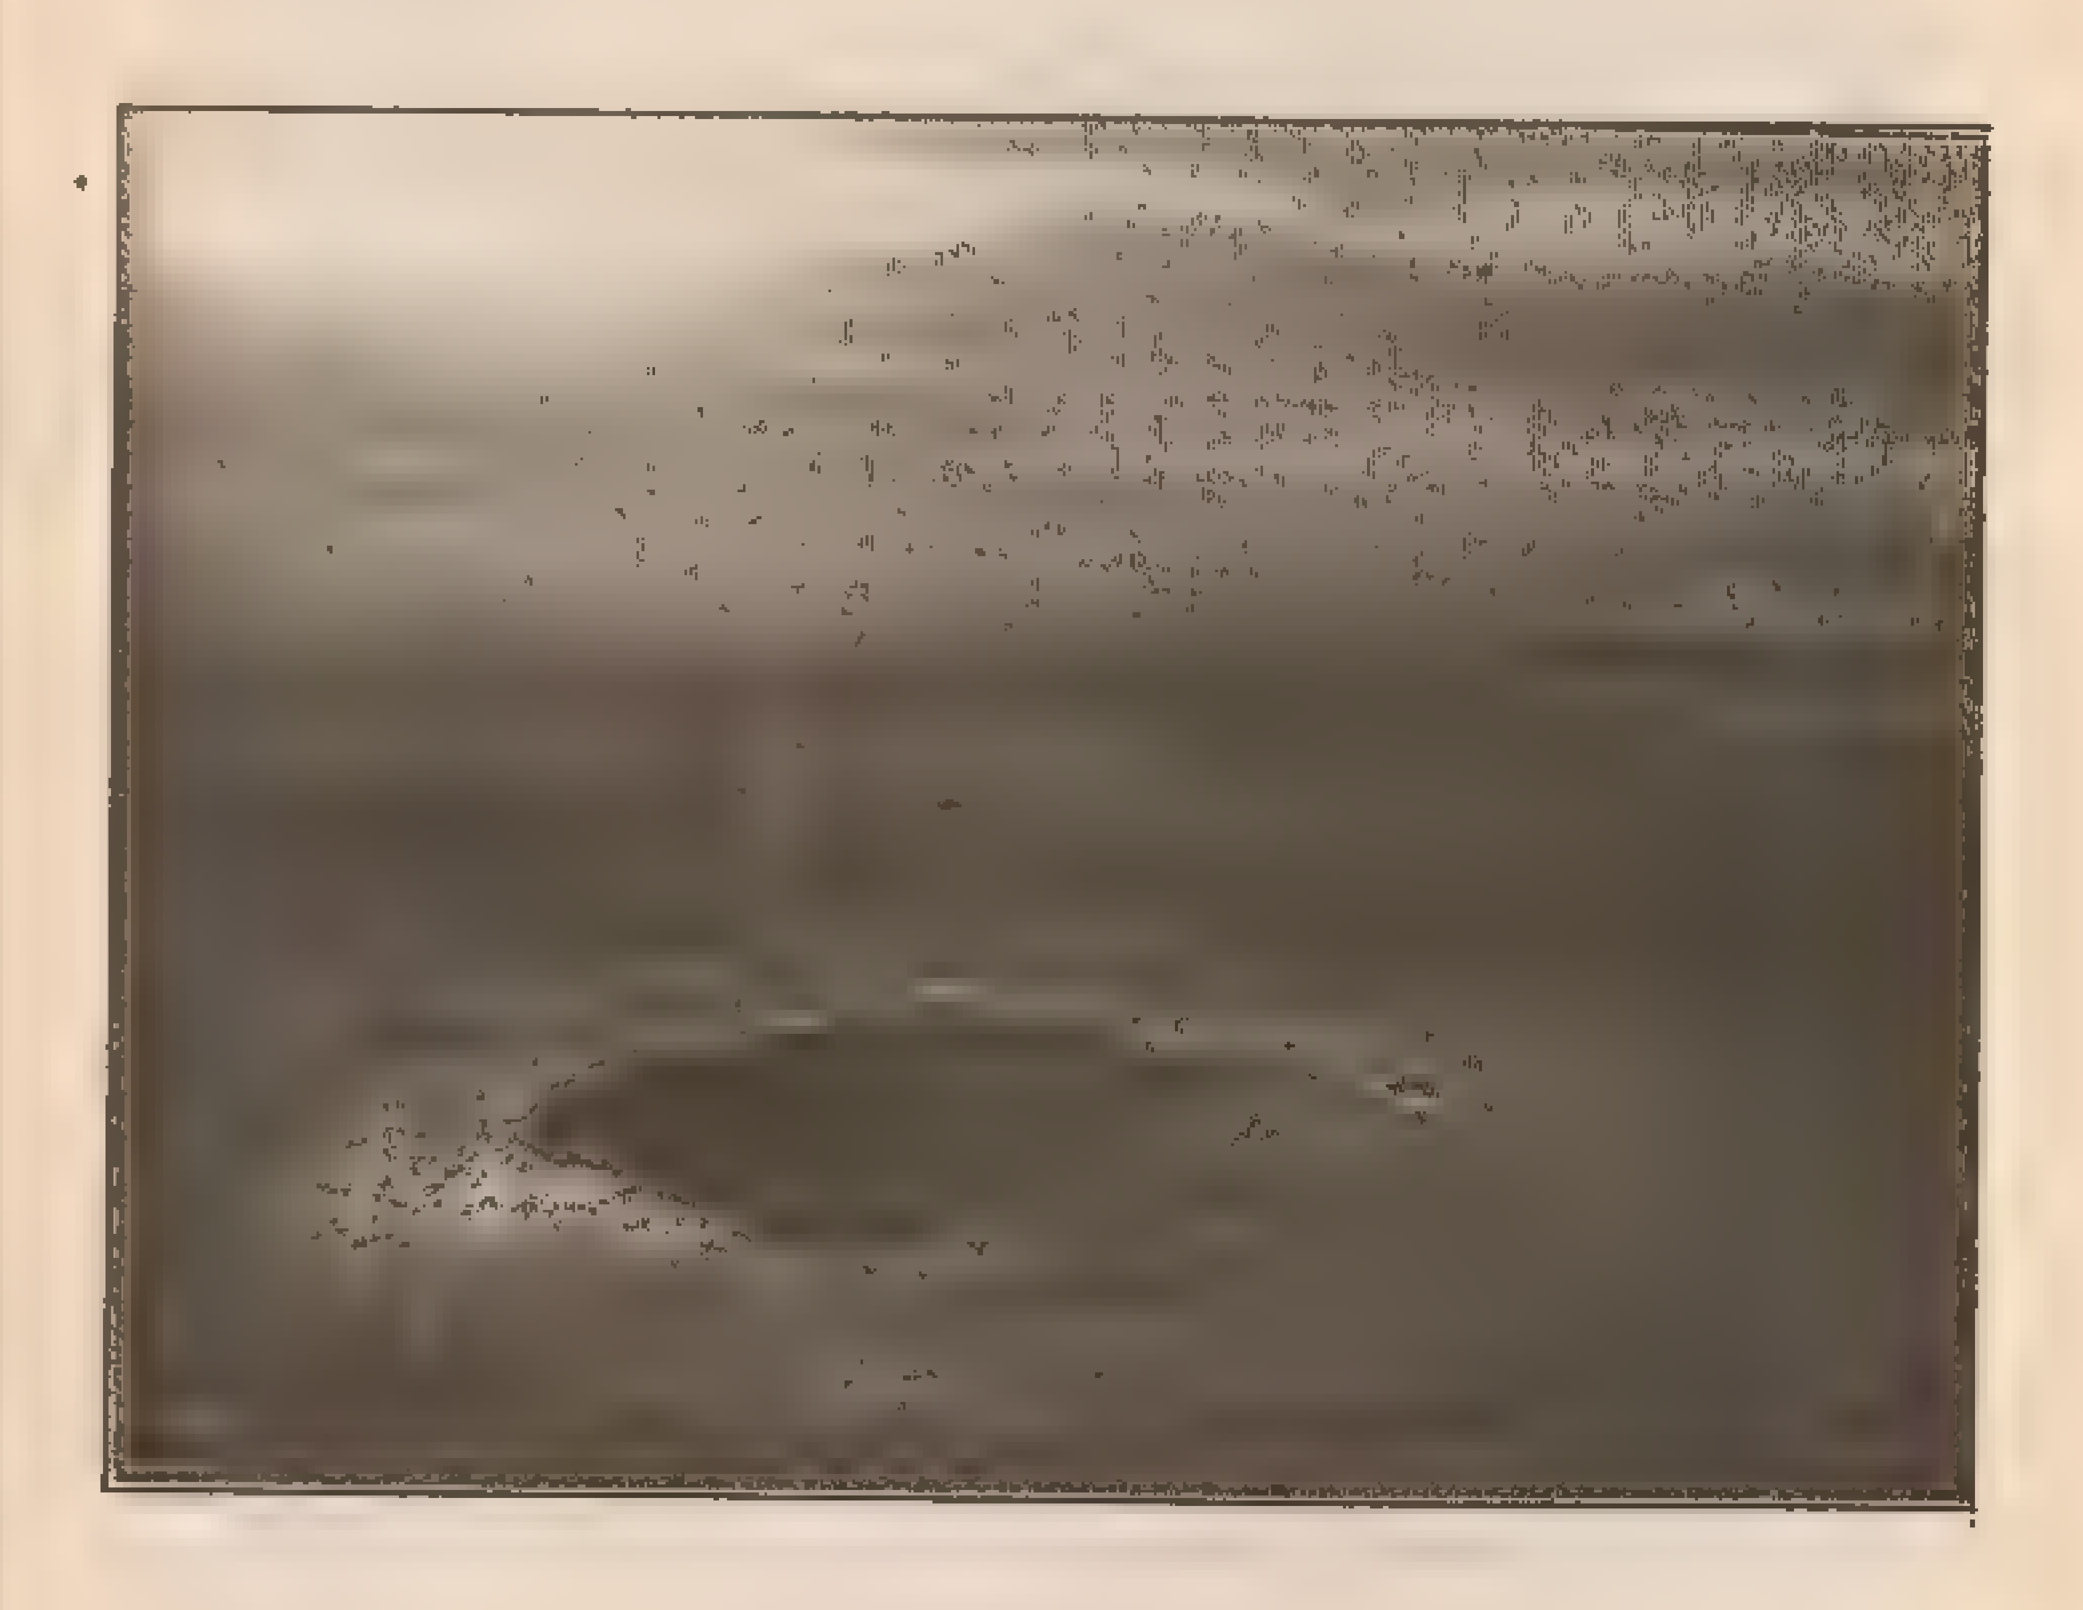

Figure 23

Arizona Meteor Crater

As Previously Stated, Some Meteorites Weigh Several Tons. Sometimes A Large Mass May Break Up Into Smaller Pieces On Its Descent And Cause A Meteor Shower.

Figure 24

In A **Meteor** Shower, Many Separate Pieces Of **Meteoroid** Fall To Earth. These Pieces Usually Burn Up In The Upper Atmosphere And Are Considered The Residue Of A **Comet** And Fall Most During The Year That The **Comet** Passes Closest To The Earth.

Comet Markos In 1957 A.D.

Examination Of **Meteorites** Shows That They Can Be Classified Into Three Basic Types:

First, There Are **Stony Meteorites (Aerolites)** Made Of Material Much Like Ordinary Rocks Found On The Earth. More Than 90 Percent Of All Meteorites Are Stony And Only Have About 10% Nickel-Iron And Consist Chiefly Of Silicates. A Few Stony Meteorites Also Contain Carbon-Bearing Substances Similar To The Materials Found In Living Things.

A Second Type Of **Meteorite** Is Made Of **Iron (Siderites)**. **Iron Meteorites** Are Extremely Dense And Consist Of 90% Iron And 10% Nickel. They Are Commonly Found Because They Are Less Likely To Break Up As They Pass Through The Atmosphere.

The Third And Rare Type Of **Meteorite** Contains Both **Iron** And **Stone** And Are Composed Of Thesilicates Olivine; Pyroxine, Orthopyroxene. These Are Called Chondrites To Distinguish Them From The Few Stones Without Chondrules, Known As Achondrites.

Scientist Believe That The Different Kinds Of **Meteorites** Are Samples Of Material That Originally Condensed Out Of The Solar Nebula. The Oldest **Meteorites** Seem To Be About **100 Million Years** Older Than The Earth Or Moon. Thus **Meteorites** Are Clues To The Very Early Chapters Of Earth's History.

It Was The Second **Shower Of Meteorites** That Wiped Out **Two-Thirds** Of The Inhabitants Of The Planet Earth Which Killed Most Of The Human Beings And The Dinosaurs. After This Destruction Of The Planet Earth, Began The Re-Creation That Is Recorded In The Book Of ***Genesis*** As You Know It, And I Quote: *"In The Beginning God **(ELOHEEM)** Created The Heaven And The Earth".*

Ques: In Accordance With Matthew 24, Is The End Of The World Near?

Ans: The End Of The World Is A Little Past Near, In Fact It's Staring You Right In The Face. Because If You Are Judging **"The End"** By These Signs That Are Recorded In ***Matthew 24***,

They Have Already Happened And Are Still Happening, Along With Quite A Few Other Things That Were Left Out. When It States In ***Matthew 24:3*** And I Quote In Part: ***"...And What Shall Be The Sign Of Thy Coming And The End Of The World"***. Many Teachers And Preachers Use These Signs As An Indication That The End Is **Near** As Stated In ***Matthew 24:33*** Where **Jesus** Said, And I Quote In Part: ***"... When Ye Shall See All These Things, Know That It Is Near, Even At The Doors"***. The ***Book Of Matthew*** Was Recorded In **41 A.D.** After **Jesus** Was Thought To Have Been Crucified. So We'll Say That These Events Would Occur Anytime After ***Matthew*** Was Recorded. However, If You Read The Old Testament You Will Find Where **Nations Fought Against Nations *(Ezekiel, Chapter 38)*, Kingdoms Against Kingdoms *(Daniel 11:40)*, Famines *(Genesis 12:10)*, Pestilence *(Ezekiel 6:12)*** And **Earthquakes *(1 Kings 19:11)***, And This Was Thousands Of Years Before ***Matthew*** Was Recorded. The Point I'm Making Here Is That If These Were Signs That The End Was Near, Then These Signs Have Been Happening

All Along Since The First Book In Your Bible Was Recorded, Which Is ***Genesis,*** In **1513 B.C.E.** And Since The Time That The ***24Th Chapter Of Matthew*** Was Recorded There Have Been **Wars, Famines, Pestilence** And **Earthquakes** Up Until Now. Then Tell Me, According To The Bible, **How Close Is Near**? Because I'm Under The Impression That The Word **"Near"** Means, ***"A Short Distance In Space Or Time"***. And If It's A Short Span Of Time, Then Whose Time Are We In? What About The Many Millions Of People Who Died Waiting Because They Thought The End Was Near And That Someone Would Come And Save Them. Save Them From What? Not From All The Pain And Suffering That They Were Told They Had To Endure Until The End In ***Matthew 10:22***, And I Quote: ***"...But He That Endureth To The End Shall Be Saved",*** Because They Already Lived Through That. The Word **"Save"** Means ***"To Keep Safe And Sound, To Rescue From Destruction".*** And At That Point In Their Lives The Only Thing That **Saved** Them From Their Suffering Was Death. And As For The Dead, **Jesus** Said In ***Matthew 22:29***

While Speaking To The Sadducees (A Member Of An Ancient Jewish Party Accepting Only The Written Law) And I Quote: ***"Ye Do Err, Not Knowing The Scriptures, Or The Power Of God"*** And ***Verses 31 And 32*** Goes On To Say, And I Quote: *"But As Touching* ***The Resurrection Of The Dead****, Have Ye Not Read That Which Was Spoken Unto You By God, Saying (32)"...****God Is Not The God Of The Dead But Of The Living****"*, And The Greek Word Used In This Verse For **"Dead"** Is **Nekros** (νεκρος) Meaning ***"One That Has Breathed His Last, Lifeless, Deceased, Departed"***. So According To This Verse Those People Who Died Waiting For The **New Heaven And The New Earth And The Coming Of Messiah Jesus** As Stated In ***22nd Chapter Of Revelation,*** Waited In Vain Their Whole Lifetime For Something That They Thought Was So Near In Accordance To The Signs Of The End As Stated In ***Matthew 24***. I'm Not Saying That These Signs Are Not True, But They're Not Giving You The Whole Picture. What About The **Droughts, Tornadoes, Blizzards, Meteor Showers, Ozone Depletion, Diseases, Insects**

Invasion, Natures Natural Disasters, Including **Earthquakes,** That Are Killing Hundreds Of People At One Turn. And You Never Stopped For One Minute To Even Consider What Causes These Reactions In Nature Because These Things Have Been Happening Since The Beginning Of Time As You Know It, And Why In This Day And Time They Are Happening So Frequently. For Instance **Earthquakes,** In ***Matthew 24:7*** It States ***"Earthquakes,*** *In Diverse Places".* **"Diverse"** Means, *"Different Places Simultaneously".* The **United States Geodetic Service** Tells Us That The Earth Has As Many As One Million Earthquakes Taking Place Annually In Various Parts Of The World. Now, Jesus Made This Statement Before **41 A.D.** And From The Time He Predicted Fatal Earthquakes Until The Year **1900 A.D.,** Only **31** Major Tremblers Took Place. Then, From **1900 A.D.** To **1990 A.D.,** 58 Major Shakes Occurred. **31 Earthquakes** In Approximately **1,800** Years, And **58** In **90** Years **(1900 To 1990).** Recent Earthquakes In **San Francisco, Armenia, Peru, Iran, Russia And Japan** Bring The Total To **64** In **90** Years.

Ques: What Causes Earthquakes And Why Are They Happening More Often Than Before?

Ans: Earthquakes Are Sudden, Strong Movements In The Earth That Generate **Seismic Waves** (A Form Of Energy Moving Through The Solid Earth), In The Crust. The Planet Is Made Of Several Different Layers, Like An Onion. The Uppermost Layer Is Called The **"Crust"** Which We Live On, And Where We Walk, Drive Cars And Build Buildings. There Is Even **Crust** Underneath The Ocean. The **Earth's Crust** Is Made Up Mostly Of Hard, Rocky Substances, Though Some Of These Substances Have Crumbled Into Dirt From Years Of Exposure To Wind, Rain And The Roots Of Plants. Underneath The Crust Is A Layer Called The **"Mantle"** Which Is About **1,800** Miles Thick. Below The **Mantle** Is The Earth's **Core,** Which Is Made Up Of Two Layers Called The **"Inner Core"** And The **"Outer Core".** The Inside Of The Earth Is Hot, And The Deeper You Go, The Hotter It Gets. The **Mantle** Is So Hot That It Is Made Mostly Of

Molten Rock, Which Is Where The Bible And The Koran Got It's Concept Of Hell From. The **Crust** Of The Earth Floats On This Molten Rock Like Boats Float On Water.

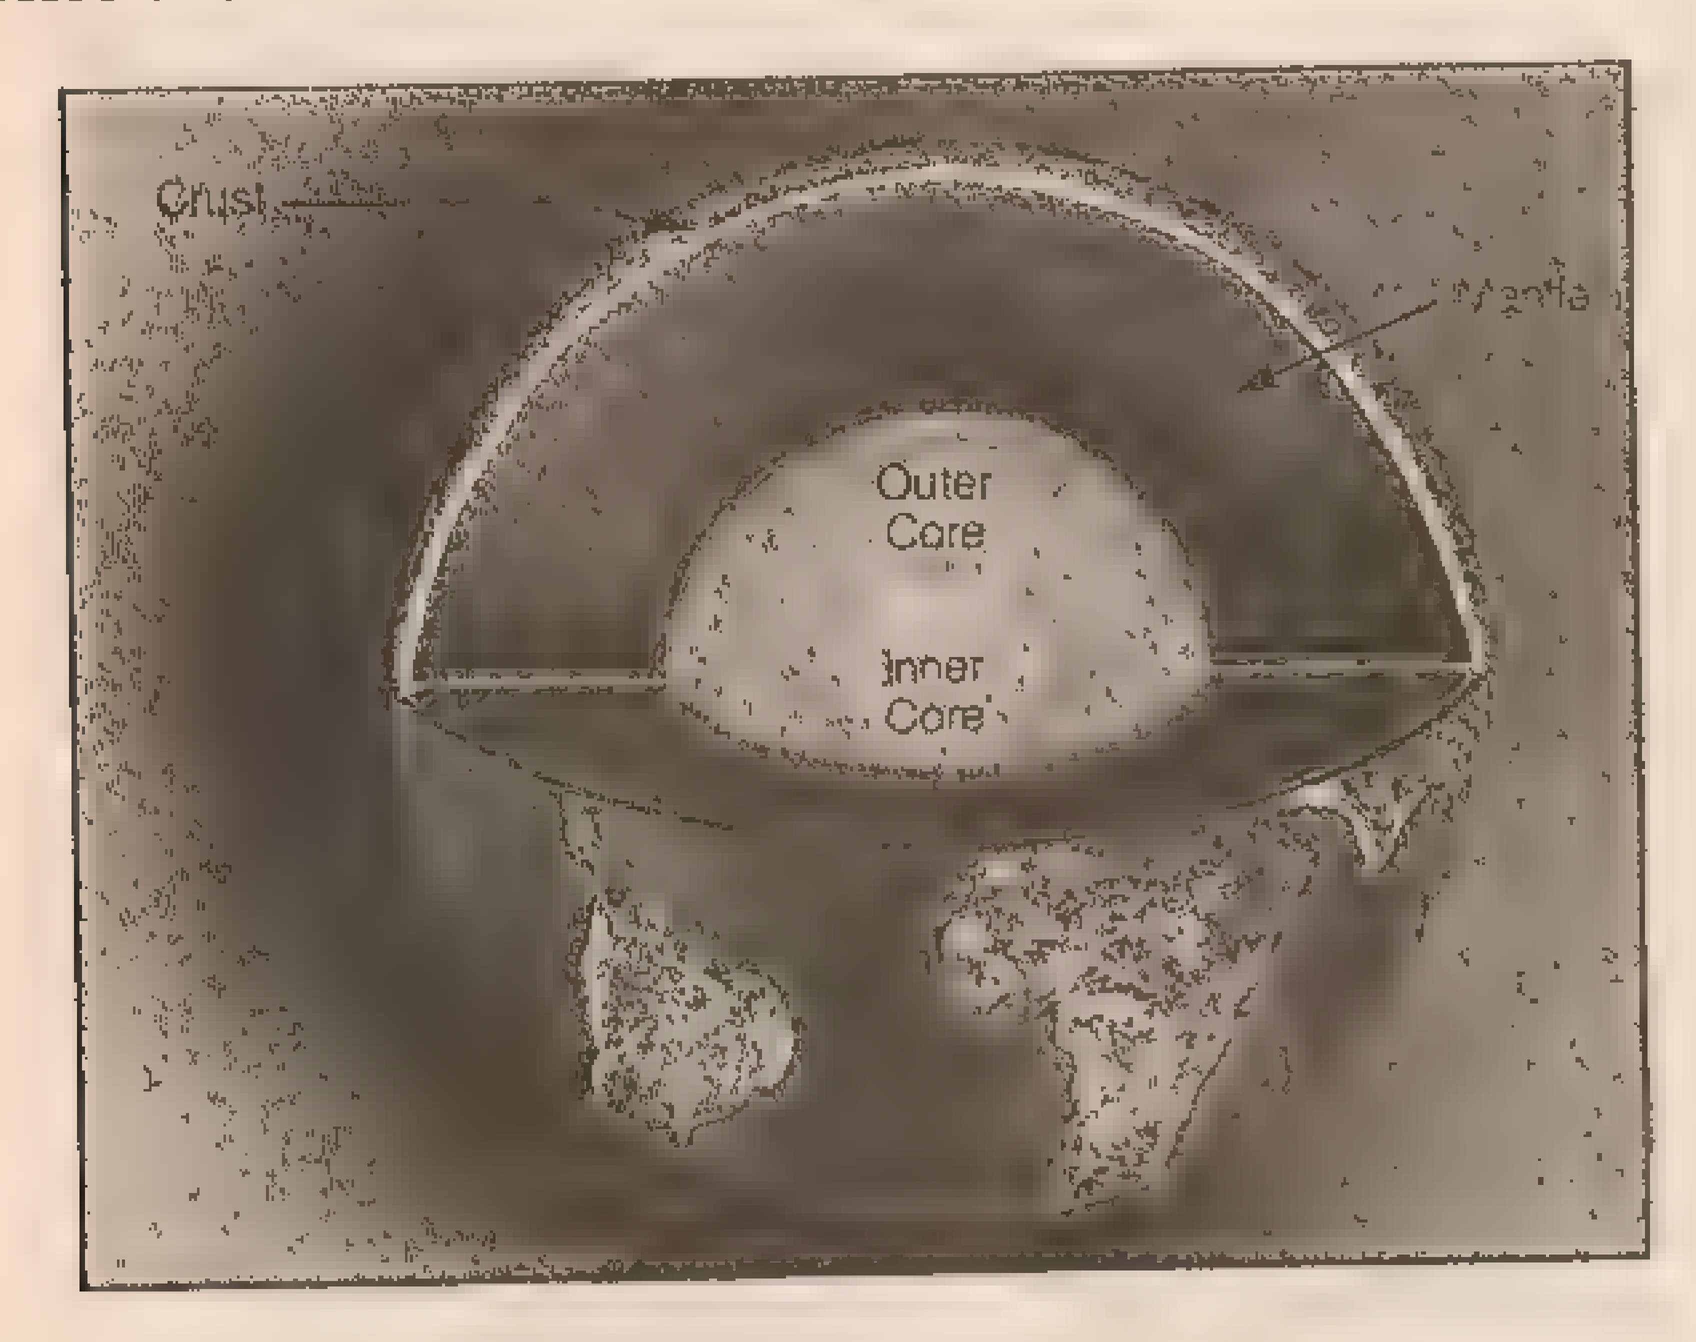

Figure 25
Layers Of The Earth

Some People Think The Earth's **Crust** Is All One Piece, However, It's Not, It Is Broken Up Into Fifteen Pieces, Called **"Plates"** (Also Called Tectonic) Which Are Like Pieces Of Jigsaw Puzzles That Form The Outer Layer Of The Earth's Crust. Each Of These **Plates** Can

Move Independently Of The Others At A Rate Of One Half To Four Inches Per Year, Carrying The Land Masses And The Ocean Floor As It Floats On The **Mantle**. Sometimes They Collide, Then Snag And The **First Plate** Will Ride Over The Top Of The **Second Plate,** Causing The **Second Plate** To Sink Down Into The Earth's **Mantle**, A Place Called The **"Subduction Zone"**. In Other Places, **Two Plates** Will Crash Together To Form Mountains. And In Still Other Places, **Two Plates** Will Move Along Next To One Another In A Region Called A **"Fault (FAWLT) Zone"** And A Build Up Occurs. When The Earth Is No Longer Able To Withhold The Energy Of This Strain, The Plates Will Lurch Pass Each Other.

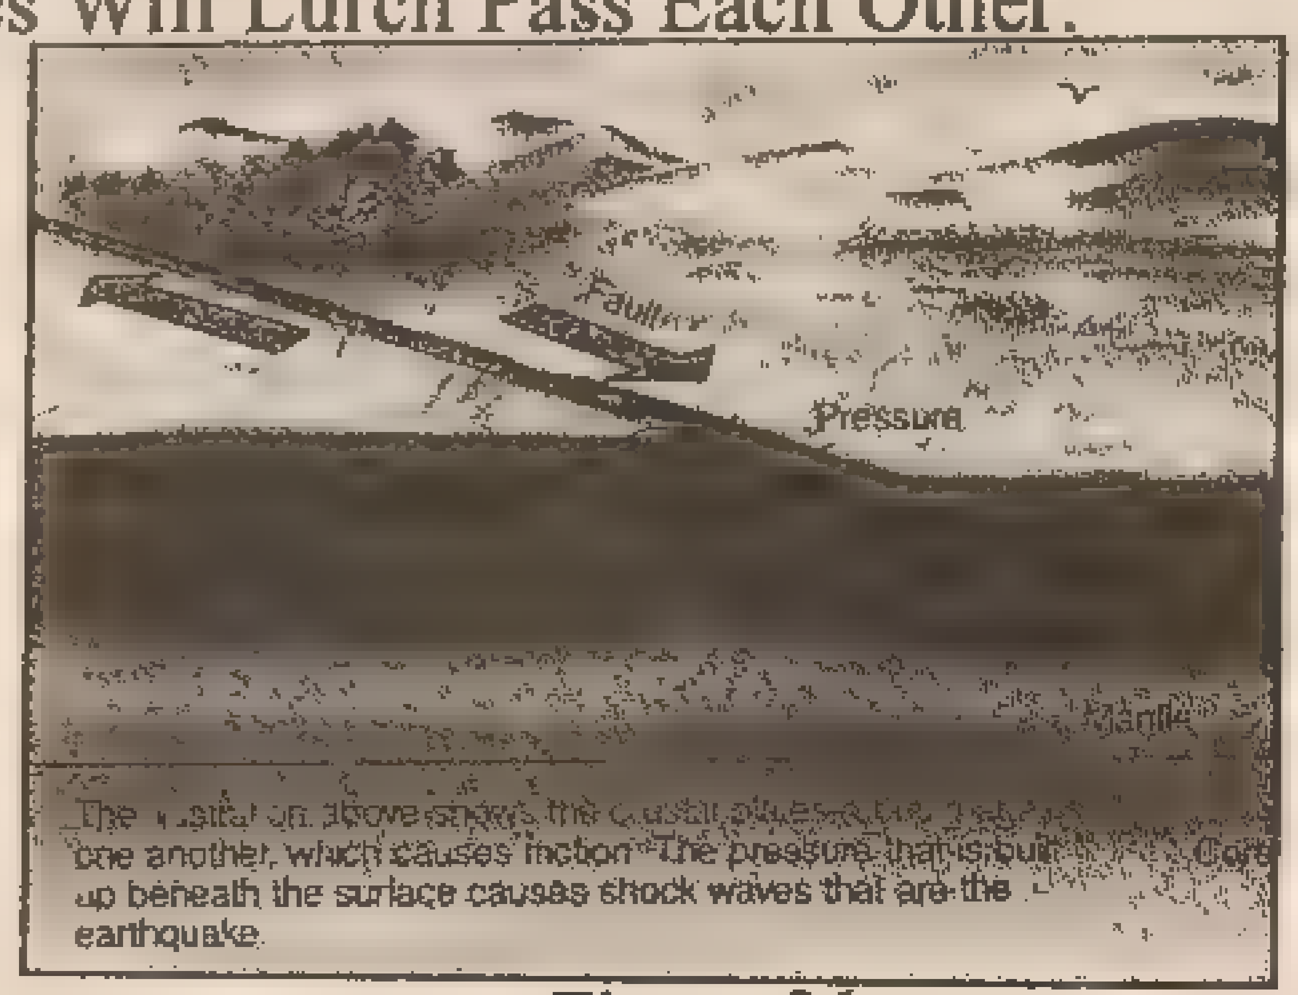

Figure 26
Plates Shifting

So When Any Two Objects, Such As These Two Crustal Plates, Rub Up Against One Another, They Create Friction. This Friction Makes The **Plates** Stick Together. However, The Powerful Forces Inside The Earth That Are Causing The **Plates** To Move, Won't Let Them Stick Together For Long. When Enough Pressure Builds Up Inside The Ground, The **Plates** Will Move All At Once, With A Sudden Jerking Motion. Shock Waves Shoot Out From The Point At Which The **Plates** Move. These Shock Waves Are The **Earthquake** Which Start Inside The Crust Of The Earth. They Begin At A Place Along A **Fault** In The Earth's Crust Called The Focus (**FOH-Kus**). The Place On The Surface Of The Earth Directly Above The **Focus** Is Called The **"Epiceter"** (**EP-Ih-Sen-Ter**) Where An **Earthquake** Shakes The Surface Of The Earth Hardest.

The Slight Movements Of The Ground Are Called **"Tremors** (**TREM-Ers**) And There Are Over Six Million Tremors A Year In The Earth's Crust. Many Of These Tremors Are Too Slight To Be Felt. After A Major Earthquake, Small

Movements In The Rocks Where The **Plates** Join Together Can Cause Additional **Tremors**. These Are Known As **Aftershocks**. Of Course With Bombs, And Explosives Constantly Throwing The Earth Off Balance You'll Find More And More Earthquakes Happening In Other Places Where They Wouldn't Have Naturally Occurred. Most Earthquakes Occur Along Two Great Belts, Yet They May Occur Anywhere On The Planet. If A Major Earthquake Hit An Area On The Eastern Seaboard Such As A City Like New York, The Result Would Be An Enormous Catastrophe To Building Structures. Unlike California Cities In The East Do Not .Require Buildings To Be Constructed With Earthquake Resistance. The Way Structures Are Designed Can Make Or Break Them When An Earthquake Strikes. Some Lessons Are Learned The Hard Way.

And As The World's Catastrophes Multiply, They Have Begun To Occur In The Least Likely Of Places. In **1990 A.D.** An Earthquake Measuring **7.5** On The Richter Scale Hit **Jubba,** In The **Southern Part Of Sudan.** Four Weeks

After, The Area Was Racked With After Shocks And It Was Reported That Almost **300,000** People Were Left Homeless. The Energy Released By A Large Earthquake Can Equal Up To **180** Metric Tons Of **T.N.T.**, Or **10,000** Times The Intensity Of The First Atomic Bomb. Earthquakes Leaves Trails Of Disaster In Their Wake.

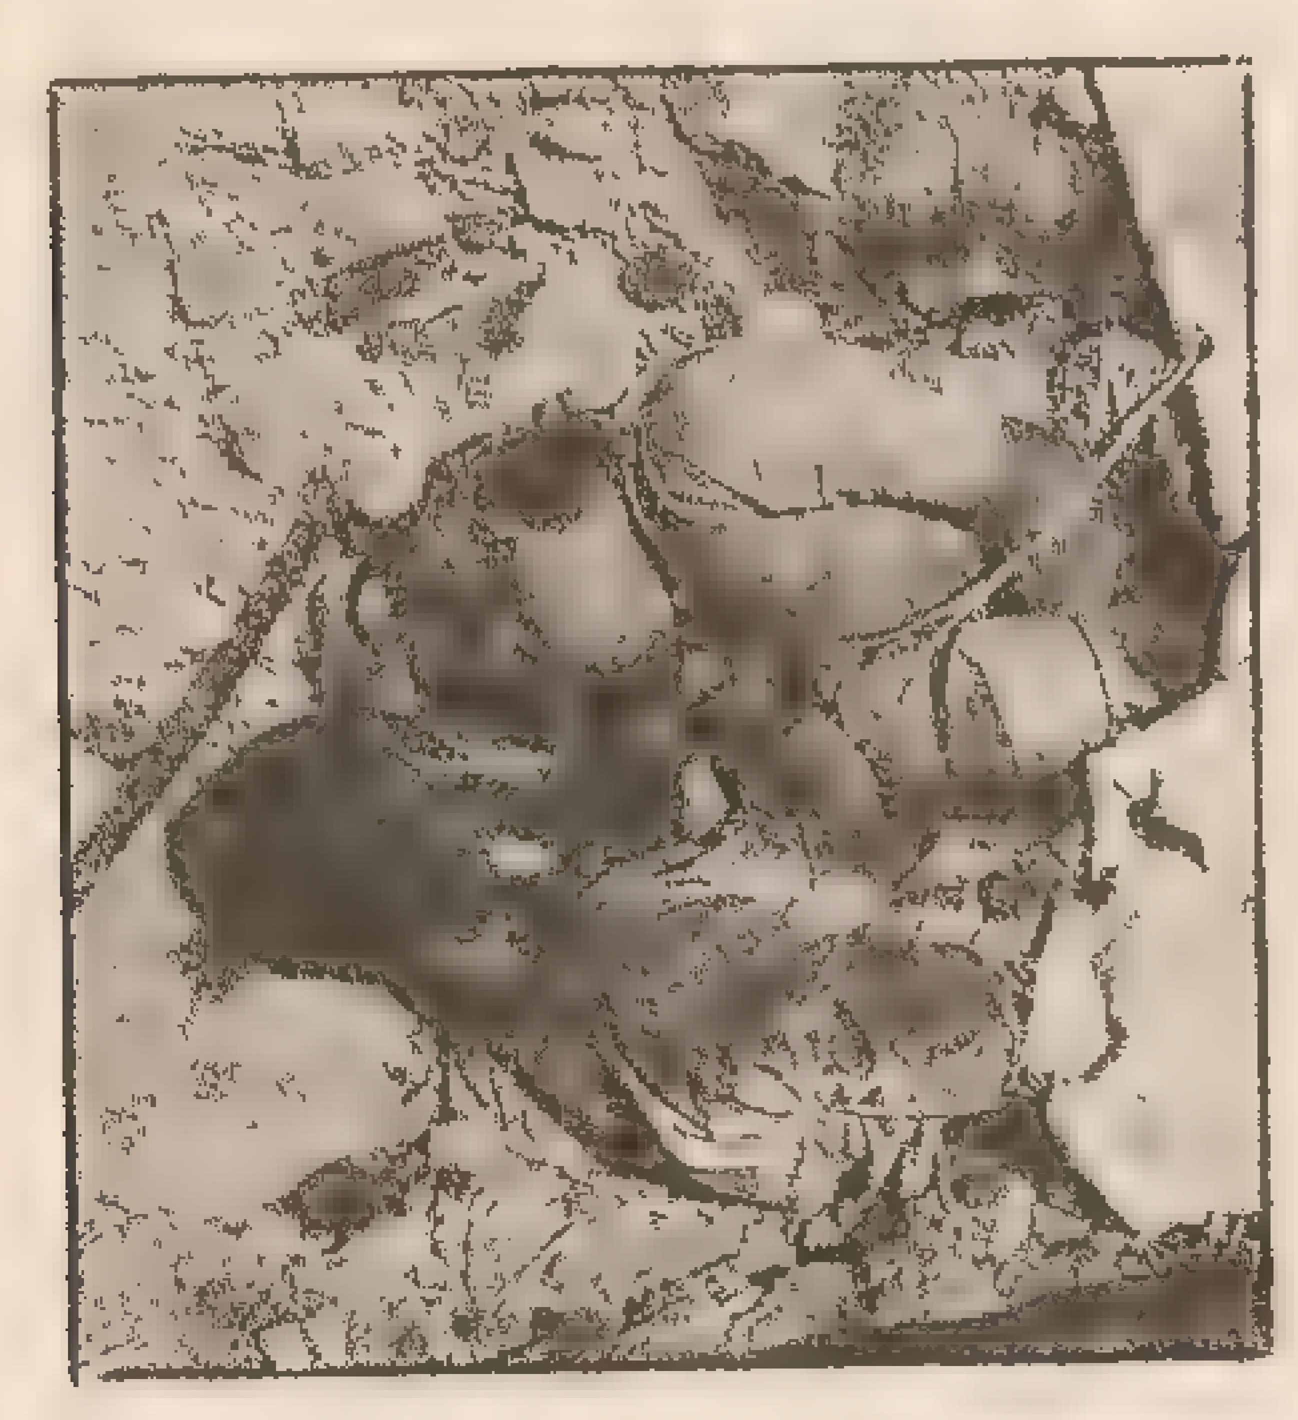

Figure 27

At 3:45 In The Morning An Earthquake Struck Which Many Never Awoke From Their Sleep In Deccan Plateau In India.

Now That You Have Some Overstanding About **Earthquakes**, You Can See That With All The Constant **Explosions, Nuclear** And **Atomic Bombings** How The Earth Is Constantly Shifting Which Causes More **Earthquakes** To Occur. And The Worst Are The Bombs That Explode Underground And The Earth Sinks In.

Figure 28

Thousands Of People Are Forced To Stand In Line For Food After The Failure Of Their Crops Through Drought.

As I Said Before, You Can Use The Fact That This Is One Of The Predictions Of The End, But The Truth Of The Matter Is, That Man Is Making A Large Contribution To It's Destruction And There Are A Number Of Other Added Agents That Are Not Recorded In The Bible, For

One, **Droughts**. And Almost **One-Third** Of The Land On Earth Is Prone To **Drought,** Which Affects More Than **600** Million People. During A **Drought**, The Soil Becomes Parched And Cracked.

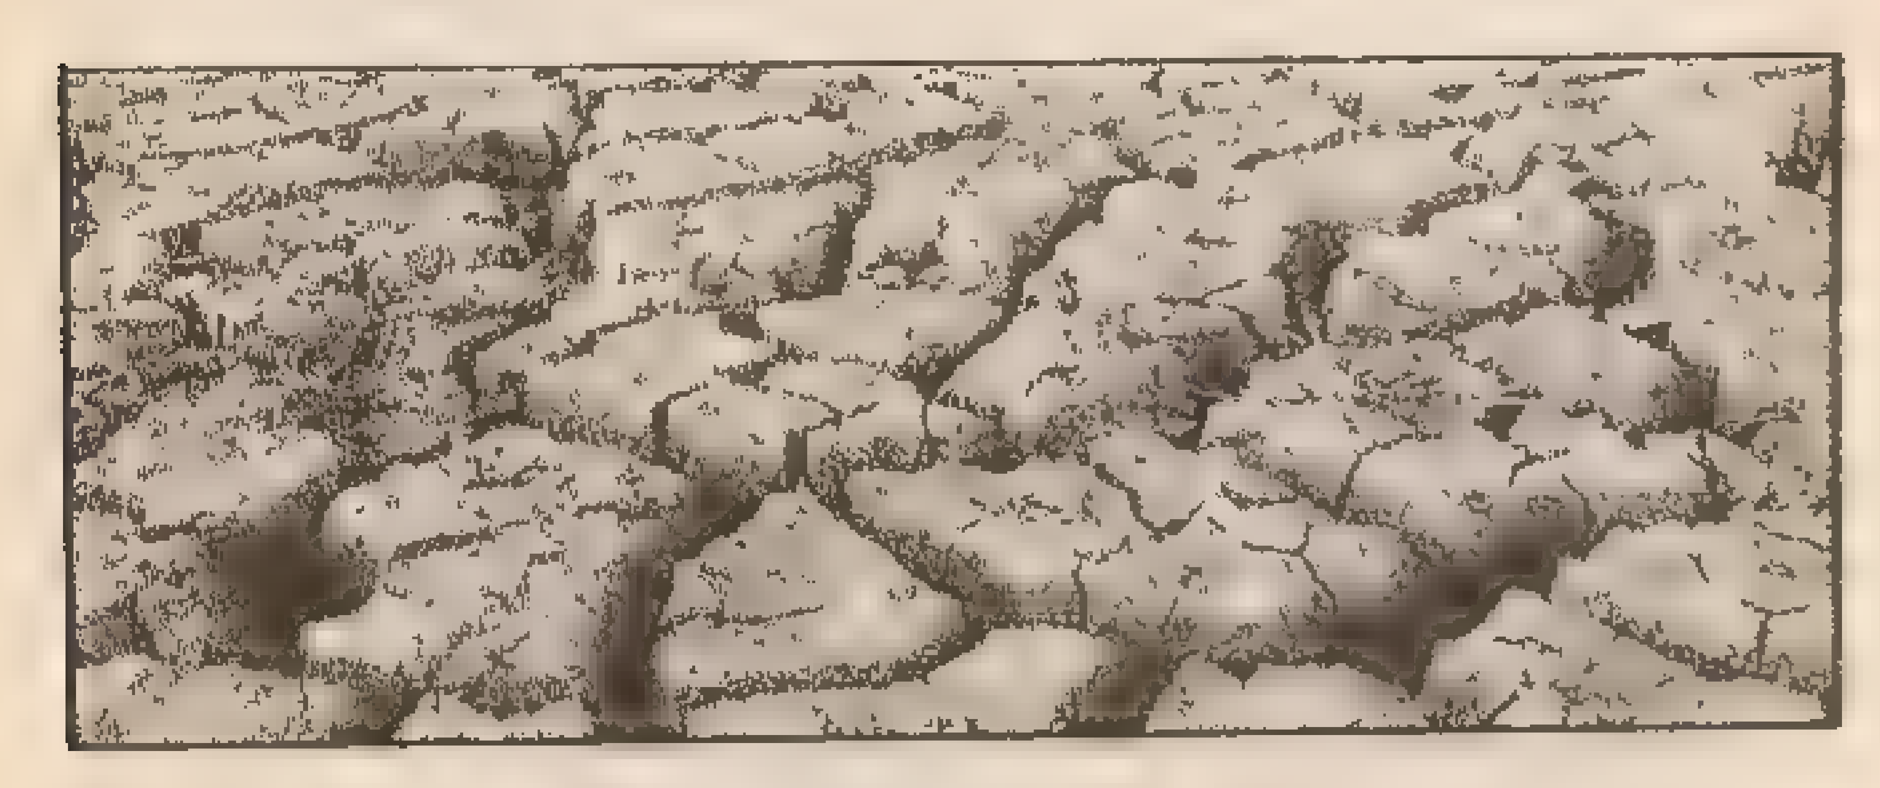

Figure 29

The Ground Cracking Due To Lack Of Rain

The Hard Baked Surface Cannot Absorb Any Water So Very Little Moisture Is Retained In The Soil. The Dry And Dusty Top Soil Is Worn Away By Wind And Rain, Leaving Behind Patches Of Barren Land. A **Drought** Is A Natural Disaster That Can Affect Any Country In The World. However, Its Effects Are Made Much Worse In The Developing World By A Number Of Factors Which Include **Overpopulation**, **Overgrazing**, And **Cutting Down Trees**. **Unusually High Temperatures**

Can Make Water Sources Evaporate Very Quickly. Combined With A **Lack Of Rain,** This Can Lead To **Droughts** In Areas That Are Not Normally Prone To Water Shortages. **Droughts** Are Frequently Caused By Natural Factors, Such As Changes In Weather Patterns. Yet, **Drought** Can Also Result From, Or Be Made Worse By, Human Activities. Trees Help To Keep Soil Fertile And To Store Water.

Figure 30

Each Year, Many Thousands Of Trees Are Burned To Clear Land For Cash Crops, Which Supply Poorer Countries With Badly Needed Foreign Currency.

When They Are Removed, The Soil Can No Longer Retain Water. It Becomes Dry And Dusty, And Soil Erosion Sets In. As The Land Is Deforested And Overgrazed, It Turns To Desert Areas.

There Are Basically Three Kinds Of **Droughts**:

1. **Permanent Drought** Characterizes The Driest Climates; The Sparse Vegetation Is Adapted To Aridity, And Agriculture Is Impossible Without Continuous Irrigation.

2. **Seasonal Drought** Occurs In Climates That Have Well-Defined Annual Rainy And Dry Seasons; For Successful Agriculture, Planting Must Be Adjusted So That The Crops Develop During The Rainy Season.

3. **Unpredictable Drought** Involves An Abnormal Rainfall Failure; It May Occur Almost Anywhere But Is Most Characteristic Of Humid And Sub-Humid Climates. Usually Brief And Irregular, It Often Affects Only A Relatively Small Area.

However, There Is A Fourth Kind Of **Drought**; An **Invisible Drought** Which Can Be Recognized In The Summer When High Temperatures Induce High Rates Of Evaporation And Transpiration. Even Frequent Showers May Not Supply Enough Water To Restore The Amount Lost; The Result Is A Borderline Water Deficiency That Cuts Crop Yields. A Period Of Abnormally Low Rainfall Of Shorter Duration And Less Severe Than A **Drought** Is Called A **Dry Spell**.

The Universe Is So Thrown Off Now That You Are Not Able To Determine One Season From The Other. There Were Once Certain Areas On The Planet Where You've **Never Heard Of Droughts**, **Earthquakes**, Hurricanes Etc. Occurring. Now There Won't Be A Safe Place To Live Anywhere, Especially With The Depletion Of The **Ozone Layer**. Another Thing That Is Not Mentioned In The Bible As A Sign Of The End.

Ques: What Is The Ozone?

Ans: The Ozone (O_3) Is A **Triatomic (TRI-Atomic) Allotrope (AL-Uh-Trope)**. (A Three Atom Element That Has The Ability To Exist In Other Forms), And Is An Irritating Pale-Blue Gas With A Strong Odor That Is Explosive And Toxic, Even At Low Concentrations. The **Ozone** Occurs Naturally In Very Small Amounts In The Earth's **Stratosphere** (The Atmospheric Zone Extending From About Six Miles To About Fifteen Miles Above The Earth's Surface) Where It Absorbs Solar **Ultraviolet Radiation**, Which Otherwise Could Cause Severe Damage To Living Organisms On The Earth's Surface. You See, The **Atmosphere**, Which Is All The Air Surrounding The Earth Consisting Of **Oxygen**, **Nitrogen**, And Other Gases, Is Made Up Of Layers:

The Troposphere (TROPE-Uh-Sfeer) Is The Layer Closest To The Earth. All Weather Takes Place Here. Winds, Along With Most Of The Water Vapor In The Atmosphere Occurs Here Which Forms Clouds, Rain, Snow And Ice.

Next Is The Stratosphere (STRAT-Uh-Sfeer), The Second Layer Of The Atmosphere, Where The Temperature Does Not Change And Airplanes Travel. This Is The Layer That Contains A Special Form Of Oxygen Called **Ozone (OH-Zone)**

Then You Have The Mesosphere (MES-Uh-Sfeer). In This Layer Temperature Decreases Rapidly With Height.

And Next Is The Ionosphere (EYE-On-Uh-Sfeer), Is An Upper Layer Of The Atmosphere That Has **Ions (EYE-On** - A Charged Particle) And Reflects Radio Waves.

And Lastly, The Exosphere (X-Uh-Sfeer) Is The Region Of The Earth's Atmosphere That Blends Into The Almost Complete Vacuum Of Deep Space Because Individual Atoms And Molecules Escape The Earth's Gravity And Drift Away Into Space.

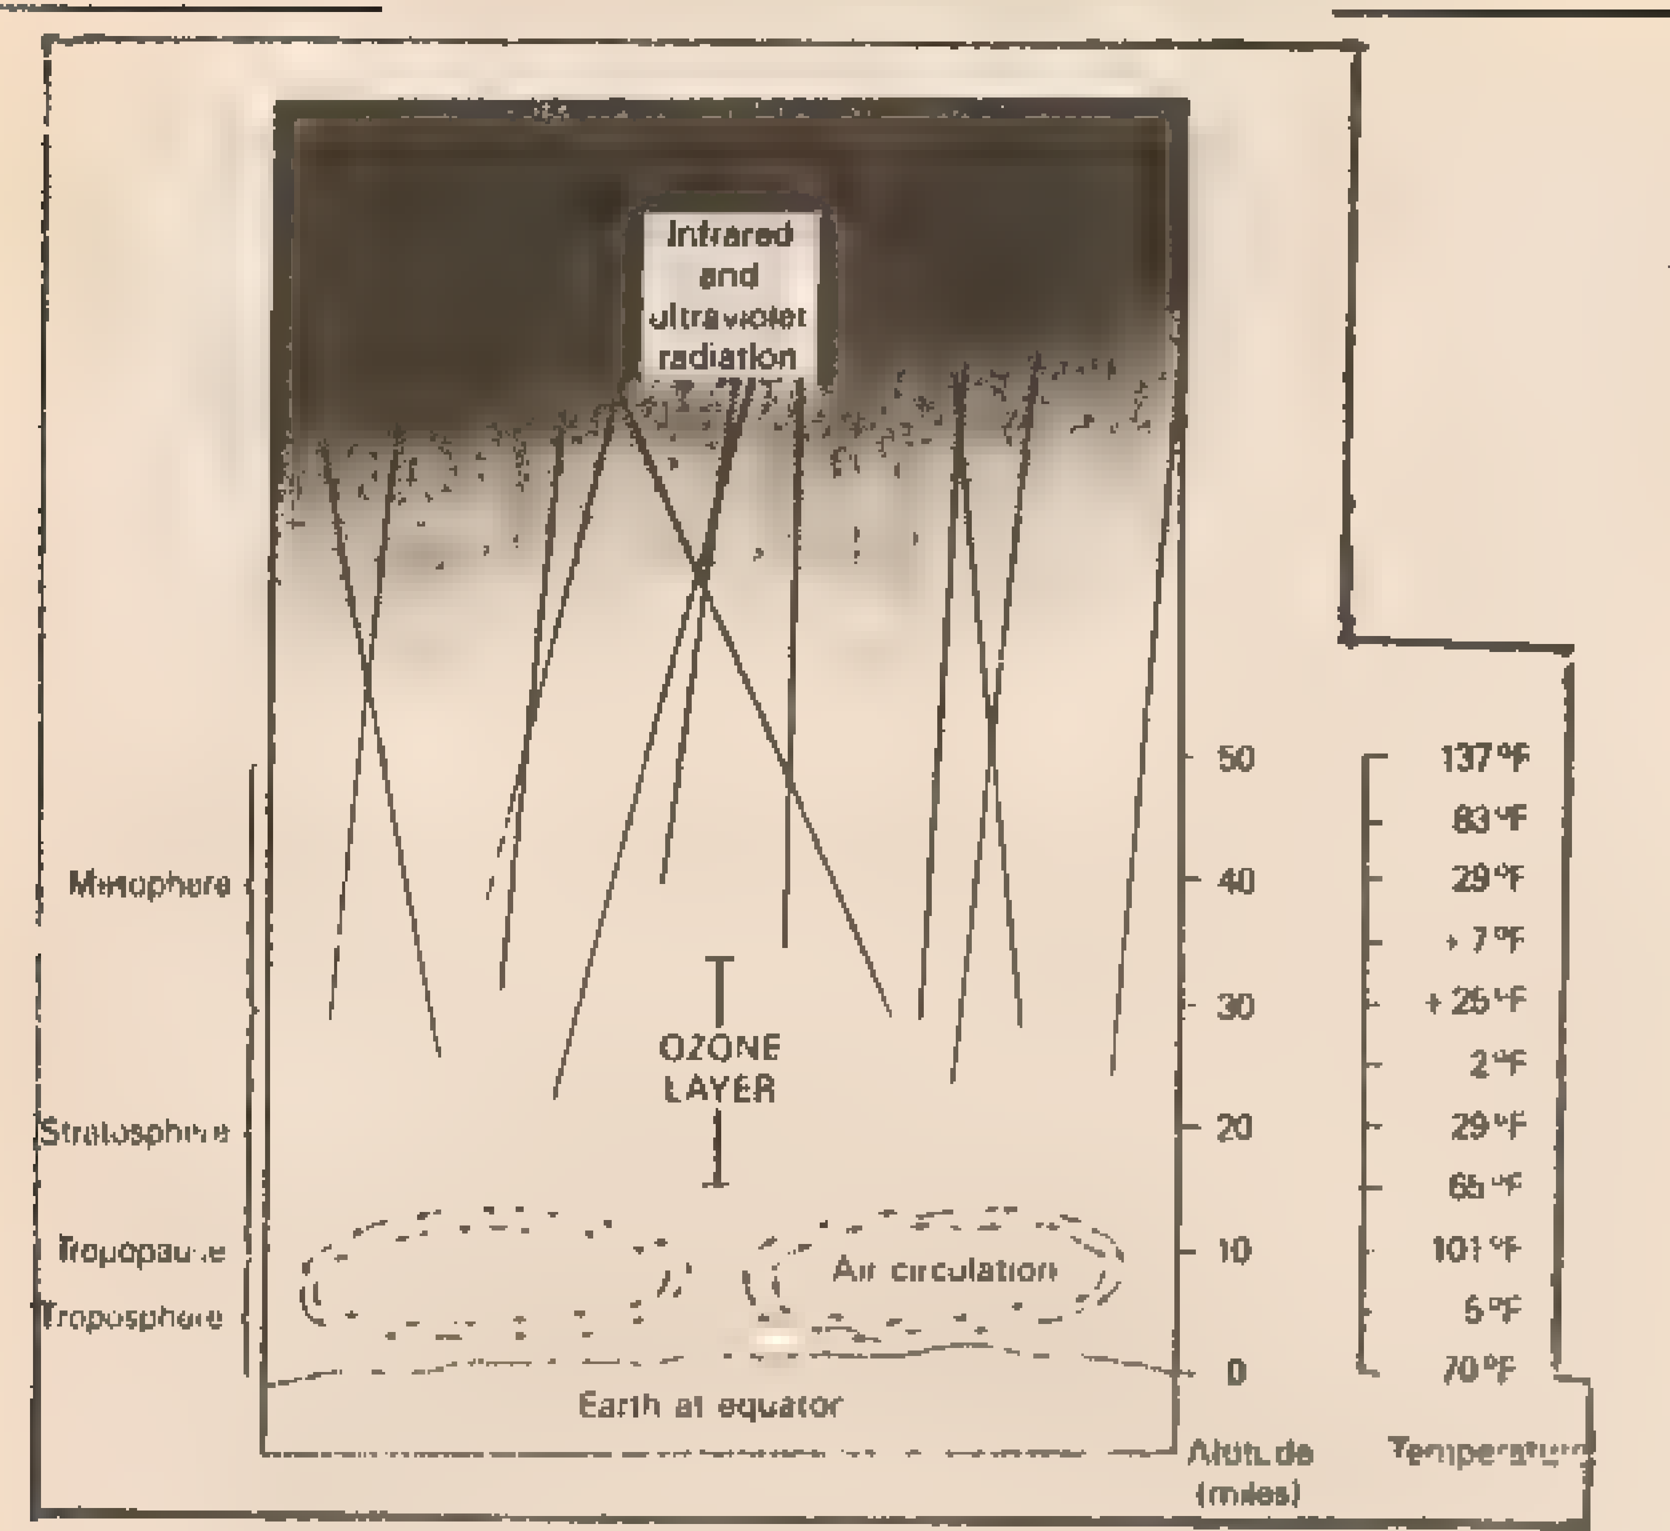

Diagram 1
The Layers Of The Atmosphere

Gravity Is What Pulls The Gases Of The Atmosphere Toward The Earth's Surface; And Above A Certain Level, The **Atmosphere** Is Subject To **Ultraviolet Radiation, X-Rays,** And **Solar Particles**. These Cause The Production Of Electrically Charged Particles, And That Is **Ions**, And **Electrons** Of Which Forms The **Ozone Layer**. **O_3** (Ozone) Is Formed By A Silent Electrical Discharge In The Air When The

Ultraviolet Light From The Sun Hits **O** (Oxygen). And The **Ozone Layer** Acts As A Filter, Preventing Much Of The **Ultraviolet Light** From Reaching The Earth's Surface.

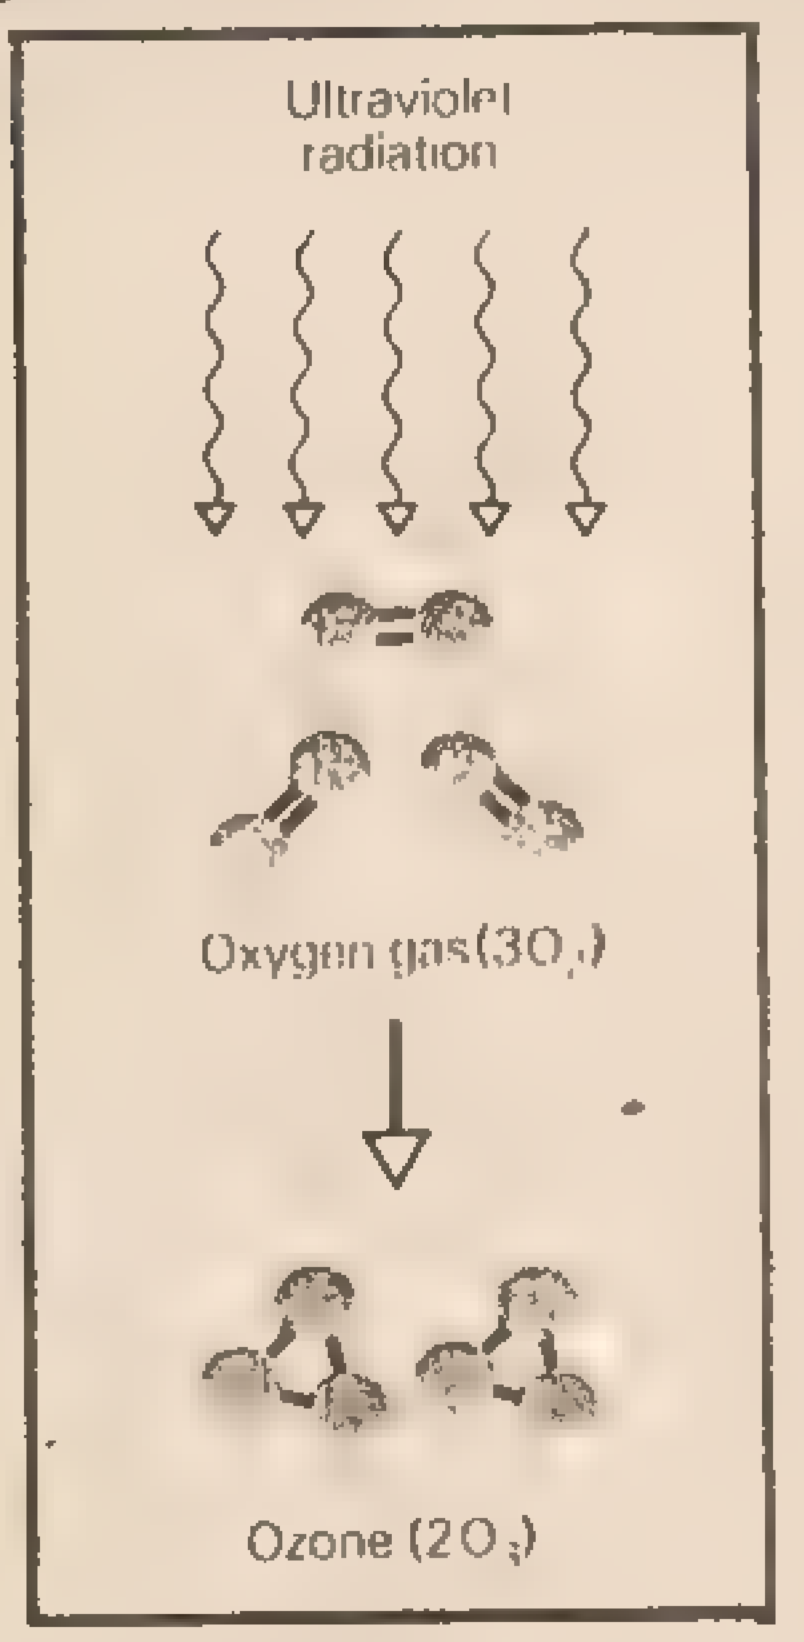

Diagram 2

Ozone (O_3) Forms When Oxygen (O) Molecules Are Exposed To Ultraviolet Radiation. Each Oxygen Atom Forms Two Covalent Bonds (A Link Between Two Atoms That Are Sharing A Pair Of Electrons).

Ques: How Is The Ozone Layer Being Depleted?

Ans: The Vital Gas That Is Being Destroyed Is A Form Of Oxygen In Which The Molecules

Have Three Atoms Instead Of The Normal Two As I Mentioned Before, And This Simple Structure Is What Enables The **Ozone** To Absorb **Ultraviolet Radiation**. **"The National Aeronautics And Space Administration"**, Along With Scientist From Several Institutions, Announced Startling Findings From Atmospheric Studies Done By A Modified Spy-Plane And An Orbiting Satellite. As The Two Crafts Crossed The Northern Skies, They Discovered Record-High Concentrations Of **Chlorine Monoxide (ClO)**, A Chemical By-Product Of The **Chloroflurocarbons (CFCS)** Known To Be The Chief Agents Of Ozone Destruction. Since **1974 A.D.**, When **Rowland** And His Colleague, **Mario Molina** First Issued The **Ozone Alert**, It Was Known That This Chemical Had Some Affect On Destroying The **Ozone**. This Problem Was Not Easy To Fix Because **CFCS** Seems To Be Present In Almost Every Society: **Refrigeration, Air Conditioning, Cleaning Solvents In Factories, Blowing Agents That Create Certain Kinds Of Plastic Foam.** And

In Many Countries **CFCS** Are Still Expelled Into The Air As Part Of **Aerosol Sprays.**

Aerosol (AIR-Uh-Sahl) Is A Mixture Of Extremely Fine Particles Of Gas. The Particles May Be Liquid Or Gas That Are Suspended In Air Or Another Gas. Such **Aerosols** As Clouds And Some Smoke Occur In Nature. Others, Including **Paint Sprays, Spray Oven Cleaners, Hair Sprays,** Are Manufactured.

In Most Manufactured **Aerosols, The Product Is Mixed In A Propellant, Which Is A Liquefied Gas At High Pressure In A Container. When The Solution Sprays From The Container's Nozzle, The Propellant Vaporizes And The Particles Shoot Into The Air.**

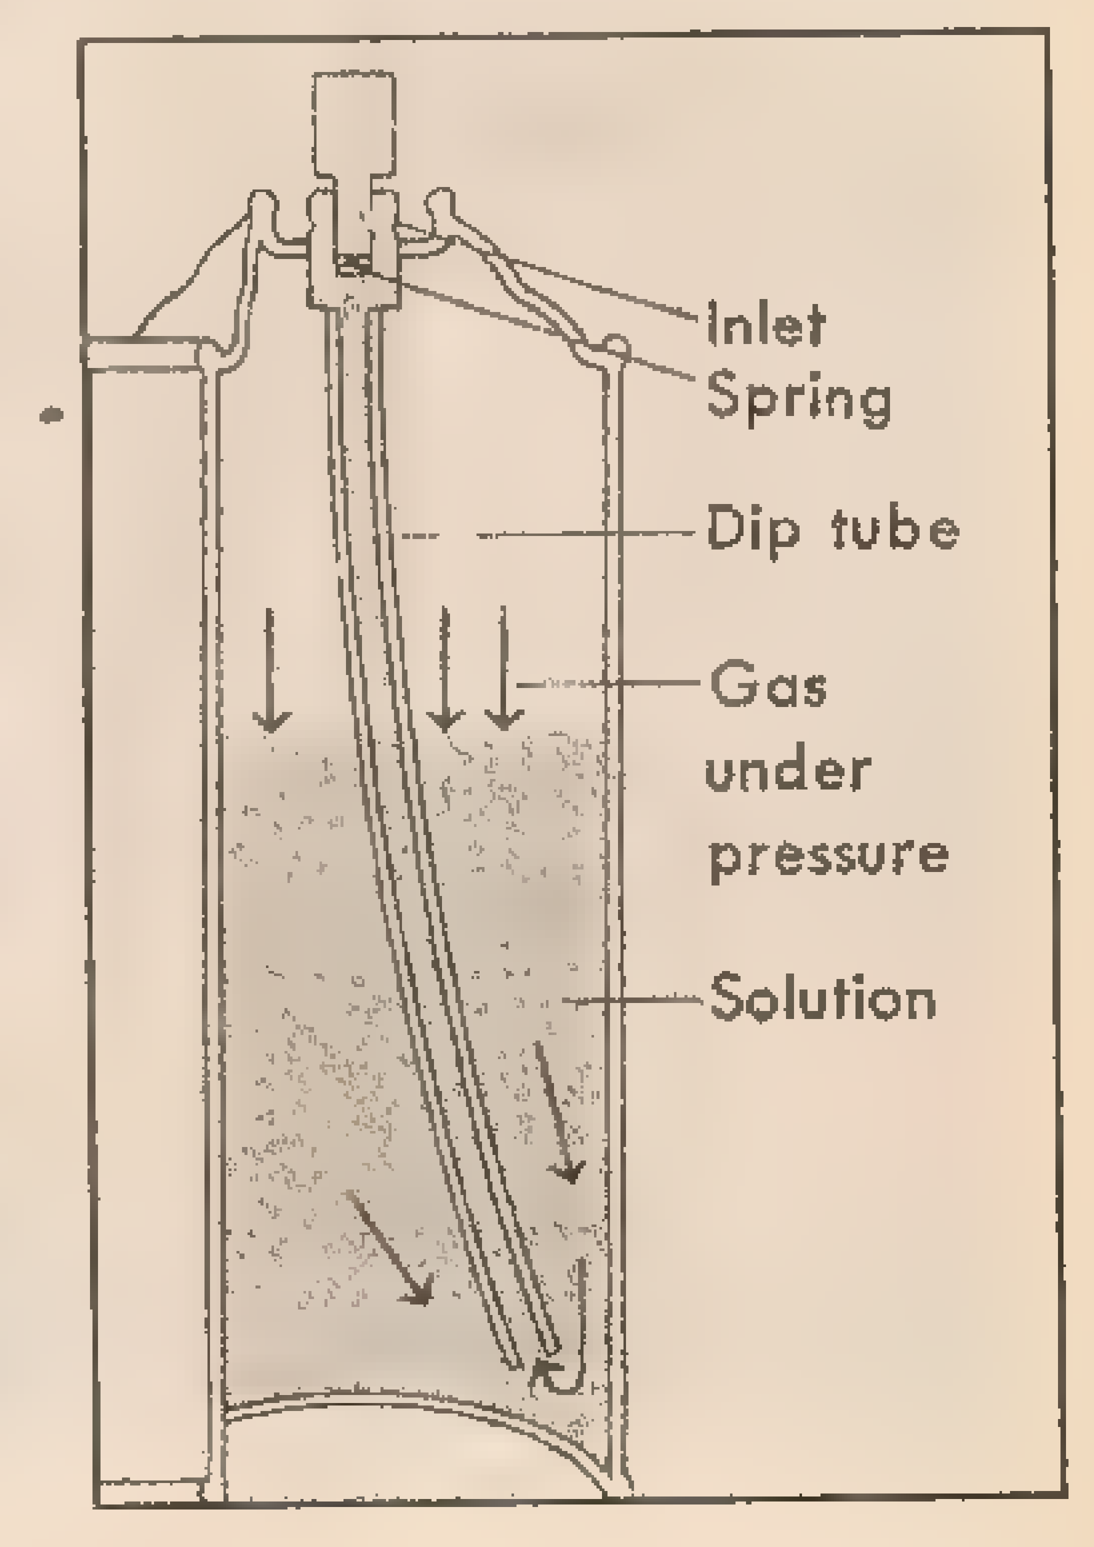

Diagram 3

The Chemicals Called **Fluorocarbons** And **Chloroflurocarbons**, Are Used As **Propellants** In About Half The Manufactured **Aerosols**. Near The Earth's Surface, **Fluorocarbons** Do Not React With Other Chemicals. Instead, They Rise To The Upper Regions Of The Atmosphere. There, Extremely Powerful Radiation From The Sun Causes Them To Break Up And Release Chlorine Atoms. Scientist Believe The Chlorine Atoms React Chemically And Diminish The Layer Of **Ozone There.**

Ques: What Is Ultraviolet Radiation And What Affect Does It Have On Humans?

Ans: Ultraviolet Radiation Is A Part Of The **Electromagnetic Spectrum** Omitted By The **"Sun"** And By **"Black Light Bulbs"**. **Ultraviolet Light** (UV For Short) Is Very Destructive To **Proteins** And **Nucleic Acids** Of Which There Are Two Kinds:

Deoxyribonucleic (DE-Ak'si-Ribo-Noo-Kle'ik) Acid (**DNA**) Contains The Organism's Genetic Information Including Instructions For The

Sequence Of **Amino Acids** In **Polypetides** And Therefore Dictates The Structure Of Proteins. **DNA** Also Carries The Information Needed To Make The Other **Nucleic Acid** Called **Ribonucleic (RIBO-Noo-Kle'ik)** Acid (**RNA**).

Nucleic Acids Absorb **UV** And Can Be Permanently Damaged By It. **Ultraviolet** Can Kill Cells. In Fact, It Is Used To Kill Bacteria On Laboratory Equipment That Cannot Be Sterilized By Heat Or Solvents. Less Drastically, **UV** Can Cause Mutations, Including Mutations That Make Cells Divide More Rapidly, As What Happens In Skin Cancer, Including The Deadly Melanoma, Or Make Them Stop Dividing. Estimates Released In February **1992 A.D.** By The **United Nations Environment Program** Predict A 26% Rise In The Incidence Of Nonmelanoma Skin Cancers Worldwide If Overall **Ozone** Level Drops 10%. Slowing Of The Cell Division Is The Reason Canaanites Light-Colored Skin Exposed To Much Sunlight Ages So Rapidly; Damaged Cells Are Not Replaced As Fast As They Otherwise Would Be.

Figure 31

As The Ozone Gets Thinner, People May Have To Cover Up Year Round To Guard Against Harmful Radiation From The Skies.

These **Ultraviolet Rays** Can Make The Lens Of The Eye Cloud Up With Cataracts, Which Bring On Blindness If Untreated. Nubians Darker-Skinned People Are Less Prone To Premature Skin Aging And Skin Cancer Because The Dark Pigment, Melanin, In Their Skin

Absorbs **Ultraviolet Rays** And Prevents Them From Penetrating The **DNA** Of Living Cells. This Does Not Mean That They Won't Be Affected At All. If You Noticed, Many Darker Skinned People Are Developing Light Spots From Mixing In Their Blood. And Acne Is Not Just A Teenage. Problem Anymore, It's Now Affecting All Ages At Any Time, Increasing Moles, Warts, Etc. However, **Ultraviolet Radiation** Does Not Cause Damage To Deeper Organs Of The Body Because, Unlike **X-rays** And **Y-rays**, It Is Rapidly Absorbed By Water In Living Tissue, So It Does Not Penetrate Beyond The Skin. Yet, Excess **Ultraviolet Radiation** May Also Affect The Body's General Ability To Fight Off Disease. This Unprecedented Assault On The Planet's Life Support System Could Have A Frightful Long-Term Effect On Human Health, Animal Life, The Plants That Support The Food Chain And Just About Every Other Strand That Makes The Delicate Web Of Nature.

The Result Of The Depletion Of The **Ozone Layer** Can Be The Ultimate Destruction Of Your Planet. And Even Though Issues Like These Are Not Recorded In Your Bible, Your

Leaders Should Keep You Well Informed By Warning You Of It. Especially Since Scientist Say The Ozone Layer Is Going Far Faster Than Any Of Them Had Predicted. Forget About The Future Because The Threat Of The End Is Here Now. You Only Heard About Ground Zero In The South Pole, However Holes Could Soon Open Over Heavily Populated Regions In The Northern Hemisphere.

This Excerpt Was Taken From The **February 17, 1992 A.D.** Issue Of **Time Magazine**, The Article Entitled **"The Ozone Vanishes"** States:

> **"And Not Just Over The South Pole, A Hole In Earth's Protective Shield Could Soon Open Above Russia, Scandinavia, Germany, Britain, Canada And Northern New England."**

So For Those Who Are Depending On The Messiah Jesus To Come By A Certain Time, If The Ozone Layer Goes, He Just Might Be A Little Late.

Ques: What Is The Christian Interpretation Of The End Of The World?

Ans: In Dealing With The Subject Of **Christianity** It Could Get Quite Extensive Because It Is A Religion Which Is Separated Into Many Groups Called **Denominations**, Which Are Supposedly The Offsets Of The Original Religion Being That They All Have One Thing In Common **Christ**. But If You Look At The Word **"Denomination"** It Is A Combination Of Three Words: **De - Nom - Nations**.

> **De** - A Prefix Signifying Separation, Cessation, Intensification Or Contraction Also From Latin **Dis** Meaning Away From, Off, As In Depilae, Detrain; Down As In Depress, Decline; Wholly, Entirely, As In Defunct (Extinct, Dead); Undo, Reverse The Action Of, As In Defrost.
>
> **Nom** - Name

Nation - A Staple, Historically Developed Community Of People With A Territory, Economic Life, Distinctive Culture, And Language In Common.

When You Refer To A Separate Group Of Christianity As A **Denomination**, This Is What You Are Identifying Them As: ***"To Reverse The Name Of A Distinct Culture Of A Group Of People"*** Which Can Been Seen In The Name Of The Group Called **"Protestants"; "Protest"** And The Suffix **"Ant"** Which Means ***"A Person Or Thing That Protests"***. So **Protestants** Are The Name Of A Denomination Who **Protests** Against The Religion It Originated From. A Name Which Has No Bases In Christ Or Christianity As Do Many Of The Other Christian Denominations As Listed Below.

The Title Christianity Could Only Have Formulated After The Birth Of **Jesus,** Whom They Refer To As Christ, And Claim They Avidly Follow. If You Call The People Who Follow Christ, Christians, Then What Were The People Called Before Christ Was Born Who Followed **Moses** (Mosians), Or **Abraham** (Abrahamians)? Nevertheless, They All Seem To Have Maintained One Thing In Common, The Belief That The Coming Of **Jesus** Is Based On End Of The World. Yet, They All Have Their Own Interpretations And Variations On The Events Surround His Coming Which Includes:

1. Judgment, **2.** Resurrection Of The Dead, **3.** The Kingdom, **4.** Heaven, **5.** Hell, **6.** The New Heaven And The New Earth, And **7.** The Coming Of The Lord That Brings History To Fulfillment.

Preachers, Popes, Ministers, And Elders, Are Bombarded With Questions About His Coming From Their Congregations. They've Heard All The Sermons And Stories About The Messiah **Jesus** Coming And Now They Want To Know Why Will He Return? Where Will He Return? How Will He Return? What Events Will Precede His Coming? And Who Is He Coming For? You Say The End Is Here So Where Is He? Just As The People Questioned In ***2 Peter 3:4*** And I Quote: *"People Are Saying,* ***Where Is The Promise Of His Coming?*** *Since The Fathers Fell Asleep, All Things Continue As They Were From The Beginning Of Creation"* And The ***2nd Letter Of Peter*** Was-Recorded In **64 A.D.** The Sad Thing Is That Sincere People In Previous Generations Have Mistakenly Believed They Were Living In The Last Days. Your Grandparents Used To Talk About The Coming Of **Jesus,** But He Didn't Appear In Their Lifetime. And Your Parents Talked About The Coming Of **Jesus,** And He Hasn't Appeared As Yet In Their Lifetime. You Do Have Some People Who Profess They Are The Embodiment Of Jesus Christ Like A Woman By The Name Of

Maria Devi Khristos Who Lives In **Kiev** (The First Eastern Slavic City To Embrace Christianity), A City In The Soviet Union. Her Followers Regard Her As The Living God And Come From All Parts Of The Soviet Union To Witness The End Of The World With Her. This Was Taken From The **November 22, 1993** Issue Of Maclena's, Entitled "**Kiev's Cult Of Doom -** *Near-Hysteria Grips Devotees As They Await The End Of The World*". Her Arrival Did Not Bring A New Heaven Or A New Earth. The Same Old World Is Still Here Full Of Chaos And Turmoil. According To The Bible No One Knows Directly Or Indirectly When The Messiah Will Come, Not The Christians, The Jews, Nor The Muhammadans. The Problem Is That **Jesus'** Coming Again Was Gravely Misunderstood. First **Jesus** Said In ***John 14:2*** And I Quote: ***"In My Father's House Is Many Mansions...I Go To Prepare A Place For You"***. So He's Been Preparing That Place, The Holy City, For **2,000** Years? In ***John 16:16*** **Jesus** Tells His Disciples And I Quote: *"In A **Little While, And Ye Shall Not See Me: And Again, A Little While, And Ye Shall See Me**: And,*

Because I Go To The Father? When Jesus Made This Statement To His Disciples, They Were Confused And Didn't Know What He Meant Because In The Next Verse They Say To Each Other: *"Then Said Some Of His Disciples Among Themselves, What Is This That He Saith Unto Us, **A Little While, And Ye Shall Not See Me: And Again, A Little While**. And Ye Shall See Me: And Because I Go To The Father?"* So **Jesus'** Followers Were Confused In The Very Beginning About His Return. Now Let's Go On To The **21st and 22nd Verse** Where Jesus Explains Himself And I Quote: *"A Woman When She Is In Travail Hath Sorrow, Because Her Hour Is Come: But As Soon As She Is Delivered Of The Child, She Remembereth No More The Anguish For Joy That A Man Is Born Into The World. (22) And Ye Now Therefore Have Sorrow: But I Will See You Again, And Your Heart Shall Rejoice, And Your Joy No Man Taketh From You.* **Jesus** Never Explained The Statement That He Made, He Only Told His Disciples That They Would Be Glad To See Him When They Saw Him Again. So They Didn't Know What He Was Talking About Because

They Didn't Know About Any Resurrection. They Certainly Had No Idea About Him Returning Two Thousand Years Later, Because He Said In A Little While They Would See Him Again. Now, Go Back To The ***10th Verse*** And You'll Find Yet Another Contradiction In The Bible When **Jesus** Said He Wouldn't See Them Anymore, And I Quote: *"Of Righteousness, Because I Go To My Father,* ***And Ye See Me No More."*** However You've Just Read In ***Verse 16*** Jesus Said That ***He Would See Them In A Little While***. So The Disciples Apparently Carried To Their Graves That **Jesus'** Return Was At Hand Or They Were Confused. And If **Jesus'** Disciples Were Confused About The Very Statement **Jesus** Made Of His Return Right Out Of His Own Mouth, How Can Christians Reading The Same Statement, Overstand. Yet, People **2,000** Years Later Have Constructed Elaborate, And Often Make Wild Eschatologies (A Greek Word Meaning Studies Of Last Things) Of How They Interpreted **Jesus'** Return. The Return **Jesus** Was Talking About Was After His So-Called Crucifixion When He Would See Them Again In ***Mark 16:14*** And I

Quote In Part: *"Afterward He Appeared Unto The Eleven As They Sat At Meat...".* So The Earliest Christians Misinterpreted **Jesus'** Return As Stated In ***2 Thessalonians 2:2*** And I Quote: ***"That Ye Be Not Soon Shaken In Mind, Or Be Troubled, Neither By Spirit, Nor By Word, Nor By Letter As From Us, As That The Day Of Christ Is At Hand."*** For Some Time Christians Continued To Look For Christ To Set Up A Literal Kingdom Of God On Earth. And In The Third Century, They Claimed That The Kingdom Existed Not In Time Or Space But In The Believer's Soul. By The Fifth Century, Christianity Was The Roman Empire's Official Religion Who Rejected The Doctrine Of The **Millennium** - The Period Of A Thousand Years During Which Some Believe Christ Will Reign On Earth With Everyone.

Since Then People Were Always On The Watch For The Signs Which, According To The Prophetic Tradition, Would Herald And Accompany The Final Time Of Troubles: **Bad Rulers, Civil Discord, War, Drought, Famine, Plague, Comets, Sudden Deaths Of**

Prominent Persons, And There Was Never Any Difficulty In Finding Them. Popes, Muslims, And Jews Were Often Associated With The Anti-Christ, And As **1000 A.D.** Approached, Teachers Predicted That The World Was About To End And That Jesus Christ Would Appear. Many In The Army Of Pilgrims Sold Their Belongings And Headed To Jerusalem To Await Christ. Terror Filled Them At Every Storm, Comet And Other Event Of Nature. They Fell To Their Knees At Every Crack Of Thunder, Expecting The Earth To Open And Give Up Its Dead. Every Meteor Over Jerusalem Brought Christians Into The Streets To Cry And Pray.

And Christians Today Still Yearn More Than Ever For Jesus To Come And Straighten Out The Mess.

Ques: Do Muslims Have The Same Concept About The End ?

Ans: As Christians, The Islamic Faith Is Also Divided Into Many Different Groups Called **Sects** Who Have Their Own Interpretations Of

The End. A **Sect** Is A Group Of People Having A Common Leadership, Set Of Opinions, Philosophical Doctrine, Etc. Of Course This Definition Does Not Apply Because, If They Had A Common Leader, Set Of Opinions And Philosophical Doctrine They Wouldn't Be Divided, Especially Not Into Over **1000** Sects.

They Will Say That There Are Only 73 **Known** Sects, But They Are Very Much Aware Of All The Other Sects Who They Refuse To Acknowledge, Like The **Nation Of Islam** Which Also Has Sects That Branched From It Such As: **5%er**; Then You Have The **Wahabbi**; The **Ahmadiyya**, The **Shi'ah**, The **Sunni**; The **Hanafiyya**, The **Shaafiyya**; The **Malaakiyya**; The **Hanabaliyya**; The Ansaau Sunna, Ikwani Muslimun, African Muslim, Qadmiyya, Tajani, Sufis Who All Have Their Own Sects, Even The

Christian Sect Of Muslims, And The List Goes On And On. Let Me Ask All Of You Muslims This: If The ***Koran 6:159*** Says That, And I Quote: "***As For Those Who Divide Their Religion And Break Up Into Sects, Thou Hast No Part In Them In The Least:*** *Their Affair Is With Allah: He Will In The End Tell Them The Truth Of All That They Did.*" Then How Is It That You All Say You Believe And Follow The Koran And Broke Up Into Sects, When Allah Says That He Will Have Nothing To Do With You. And You Can't Use Any Hadith (Tales) About **Muhammad** To Verify This, Either. According To This Verse, Every Muslim Who Is Not Of The Original School Of Thought That **Muhammad** Followed Is Blatantly Defying Allah. And Guess What, **Muhammad** Followed **Jesus** (Because Jesus Sent Him And Muslim's Use This Quote In ***John 16:7*** To Substantiate That Claim.) The Koran Dedicates Whole Chapters To **Jesus** And His Mother Such As: The **19th** Chapter Of The Koran, **Surat'l Maryam,** And The Koran Raised Jesus Above The Prophets In ***Koran 2:253.*** And In Fact **Jesus'** Is Mentioned More Times By Name And

Titles Then Muhammad (***Refer To Is Jesus The God Of The Koran, Scroll #100; Does The New Testament Contradict The Koran? Scroll #88, The Titles Of Jesus In The Bible And The Koran, Scroll*** #122). So If Muhammad Undoubtedly Followed **Jesus**, Then He Would Also Be Considered A Christian. And If Islam Is A Branch Of Christianity, Then This Quote Applies To The Entire Islamic Religion.

Ques: Is There A Difference When Christians Use Denominations Or When Muslims Use Sects?

Ans: No, There Is No Difference In The Fact That Each One Separated From Something Else, To Follow Their Own Doctrine, Based On Their Original Religion. They Use The Same Separations In Referring To Their Scriptures. The Muslims Will Say, **"Different Translations Of The Koran"** (Abdullah Yusuf Ali, A.Y.A.; T.B. Irving; Dr. M.M. Khatib; Gary Miller; Rashad Khalifah; Sir Mir Ahmed Ali; Tahrike Tarsile Inc.; Malik Ghulam Farid; Marmaduke; Pickthall Etc.). And The Christians Will Say, **"Different Versions Of The Bible"**

(Lindisfarne Gospels; Erasmus; John Wycliffe; Miless Coverdale; The Great Bible; The Geneva Bible; The Bishop's Bible; The Doui-Rheims Bible; King James [Authorized, Revised, Revised Standard]; Jerusalem Bible; New English Bible; Good News Bible; New International). The **Koran** Was Translated From Ashuric/Syriac (Arabic) And **The Bible** Was Translated From Aramic (Hebrew) In **The Old Testament**; And **The New Testament** From Greek. All Of These **Korans** And **Bibles** Were Translations. And All Of These **Korans** And **Bibles** Are Each Persons Own Version, Otherwise There Would Just Be One Of Each That Was Reprinted And Dispersed.

Ques: How Do Muslims Interpret The End Of The World?

Ans: They Don't. Their Whole Concept Of The End Of The World Is Based On **Judgment Day**. The Day Every Man Will Have To Pay For His Sins Committed During His Lifetime. In Fact They Have Incorporated Quite A Few Terms To

Signify That Day. However, Most Are Not Mentioned In The Koran.

1. **Yaum 'L Din** (يوم الدين) "Day Of Judgment" ***(Koran 1:4)***.
2. **Yaum 'L Akhir** (يوم الاخر) "The Last Day". A Name Given In The Koran To The Day Of Judgement.
3. **Yaumu 'L Fasl** (يوم الفصل) "The Day Of Serving" The Day Of Judgment (***Koran 37:21***)..
4. **Yaumu 'L Hashr** (يوم الحشر). "Day Of Assembly". The Day Of Judgment.
5. **Yaumu 'L Hisab** (يوم الحساب) "Day Of Reckoning" The Day Of Judgment (***Koran 38:16***)
6. **Yaum 'L Jam** (يوم الجمع) "Day Of Gathering" The Day Of Judgment.
7. **Yaum 'L Khulud** (يوم الخلود) "Day Of Eternity".
8. **Yaum 'L Khuruj** (يوم الخروج) "The Day Of Exodus" The Day Of Judgment.

9. **Yaum 'L Qiyamah** (يوم القيامه) "Day Of Standing" The Day Of Resurrection (***Koran 75:1***).
10. **Yaum 'L Wa'id** (يوم الوعيد) "The Day Of Threatenings. The Day Of Judgment.
11. **Yaum 'L Ma'lumun** (يوم المعلمون) "A Known Day", i.e. Known To God. The Day Of Judgment.
12. **Yaum 'L Taghabun** (يوم التغا بن) "Day Of Mutual Deceit" The Day Of Judgment. Al-Balzawi Says: Both The Righteous And The Wicked Will Disappoint Each Other By Reversing Their Positions, The Wicked Being Punished, While The Righteous Are In Bliss.
13. **Yaum 'L Talaq** (يوم التالق) "Day Of Meeting" The Day Of Judgment.
14. **Yaum 'L Tanad** (يوم التناد) "A Day Of Mutual Outcry" A Name Given To The Day Of Judgement In The Koran.
15. **Yaumu 'L Ba'ith** (يوم البعث) "Day Of Awakening" (***Koran 30:56***) .

16. **Yaumu 'L Muhit** (يوم المحيط) The Encompassing Day ***(Koran 11:84)*** .
17. **Al Sa'ah** (الساعه) The Hour ***(Koran 6:31)***

As You Know, Muslims, Muhammadans Or Whatever They Choose To Call Themselves, Each Have Their Own Hadiths (Or Stories) Of The Life And Times Of Muhammad, What He Said And Did; And Of Course, Each Knowing What He Really Meant. However, They All Do Have One Common Interest And That Is Muhammad Being A Prophet. So With This In Mind, They Have Accumulated Many Different Terms, As Previously Stated Denoting The End Of The World Which They Call **"The Last Day - The Day Of Judgment** Or **The Resurrection"**. And You'll Find That Almost Every Chapter In The Koran Refers To **"The Day Of Judgment"** Which ***Koran 70:4*** Says Last For Fifty Thousand Years And I Quote: *"The Angels And The Spirit Ascend Unto Him In A Day The Measure Whereof Is (As)* ***Fifty Thousand Years****"*, But If You Go To ***Koran***

32:5 It Says A Thousand Years, And I Quote: *"He Rules (All) Affairs From The Heavens To The Earth: In The End Will (All Affairs) Go Up To Him, On A Day, The Space Whereof Will Be* ***(As) A Thousand Years Of Your Reckoning."*** This Is An Obvious Contradiction When According To ***Koran 2:2*** Is Suppose To Make All Things Clear And With No Doubt In It. And Every Devout Muslim Who Reads Their Koran Doesn't Even Realize, Nor Are They Concerned That According To Their Interpretation, There Is No End After The Day Of Judgment. Muslims Are Very Narrow-Minded And Can Only See Things One Way, And They Will Go On And On For Centuries Down That Same Narrow Path And Keep Falling Off And Never Stop Once To Wonder Why. They Are The Ones Who Are Deaf, Dumb And Blind ***(Koran 2:18).*** And Right Now The World Is Falling Apart Right In Front Of Their Eyes And They Don't See It. This Is The Muslims Interpretation Of The End Of The World.

After **Judgment** (The Decision) Which They Call **"The Day Of Reckoning" (Yaumu 'L**

Hisab), Is The **Sentencing** (A Specified Punishment) Called **"The Day Of Standing" (Yaum 'L Qiyamah).** And After Death Penalty, Referred To As **"The Last Day"**, Then You Have Life After Death **"The Resurrection" (Yaum 'L Akhir),** So As Far As Muslims Are Concerned There Is No End For Them. There Is One Sect However, Who Went As Far As Predicting The Time The World Will End As In The Year **2280 A.D.** Using The **Number 19.** When In ***Koran 31:34*** It States *"Verily The Knowledge Of The Hour Is With God Alone."* But Little Do They Know The End Is More Than A Judgment. And It Does Have To Do With Man's Actions, Because It's Man's Actions That Is Aiding In Its Destruction. A Destruction In Which No Mortal (Enosite) Will Be Able To Resurrect From.

Ques: Does The End Mean The Destruction Of The Planet Earth?

Ans: At The Rate It's Going, Yes. All Of Life's Basic Components Are Being Destroyed, The Air, The Water, And The Land. There Is A Steady Build Up Of **Carbon Dioxide** In The

Air, The Water, And The Land. There Is A Steady Build Up Of **Carbon Dioxide** In The Earth's Atmosphere From The Burning Of **Fossil Fuel, Coal** And **Oil** That Has Occurred Since The Industrial Revolution Began. Higher Levels Of This Colorless, Odorless Gas Tend To Warm Up The Planet By The So-Called **Greenhouse Effect,** Holding In The Infrared Radiation Heat That Would Otherwise Escape Into Space. All Sorts Of Organizations Are Finally Coming To Light And Realized The Fate Of This Planet. **The World Meteorological Organization** Reported That Pollution Of The Atmosphere Is Depleting The **Ozone Layer** And The Increased Radiation Is Linked With The Increase Of Cancer Of The Skin. **The Department Of Agriculture** Cites **Acid Rain** As Another Potential Killer Which Results From The Burning Of Fossil Fuels With High Sulfur Content, Especially Local. Polluting Particles And Gases Are Spread By The Wind And Return To The Earth With The Rain In The Form Of **Sulfuric** And **Nitric Acids** That Directly Endanger The Life Of Fish, Animals And Vegetation. Besides, In The Soil **Acid Rain** Can Liberate Poisonous Metals. These

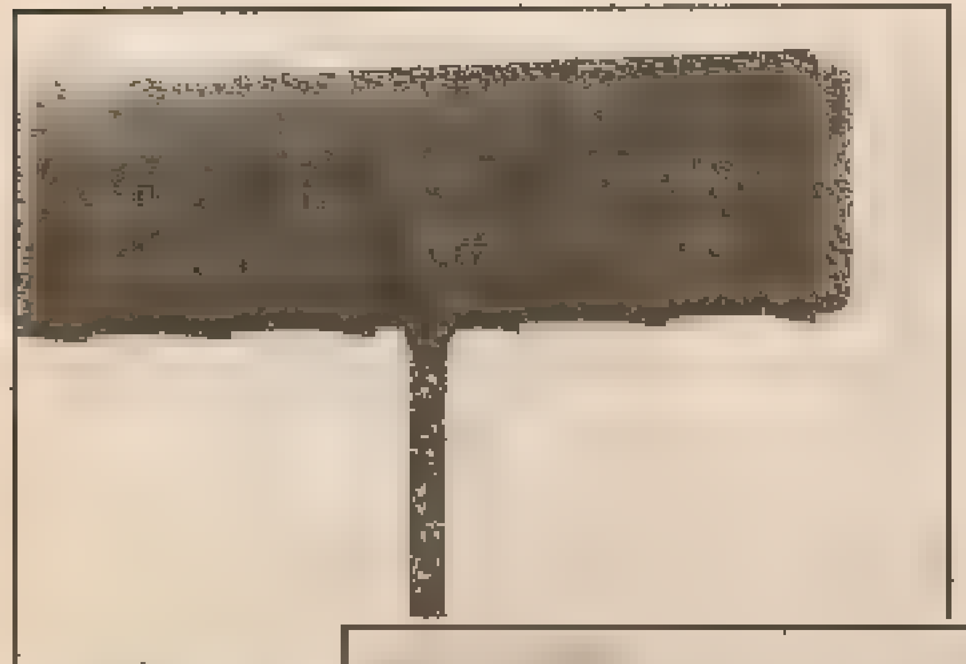

Metals May Find Their Way Into Rivers And Lakes And Thus Become A Health Hazard.

Diagram 4

Much To Blame For The Severity Of The Acid Rain Problem In The Eastern United States Are The Prevailing Westerly Winds In Our Country That Pick Pollutants From Industrial Smokestacks In The Midwest, Blow Them Eastward, And Then Fan Them Out Along A Broad North-To South Pattern.

In **A Medical Survey, Sao Paula** Said That Next To Smoking, Air Pollution Is Mainly Responsible For Diseases Of The Respiratory Organs And The Second Cause Of Death.

This Is How Residents Will Be Traveling To Work In The Near Future Because Of Air Pollution.

Figure 32

By Steadily Warming The Earth's Atmosphere, The Increasing Greenhouse Effect Is Expected To Cause Serious Consequences, Among Them A Growing Number Of Droughts.

According To The **U.N. Report**, Many Cancers Are Related To The Air People Breathe Or The Water They Drink, To The Environment In Which They Work Or Live, To Their Personal Diet Or Way Of Life. And Without Water And Air, There Is No Human Life. But How Safe Is Our Air And Our Drinking Water? How Safe Are The Rivers And Oceans? How Safe Is The Air You Breathe? By The Destructive Pollution Caused By **Oil Spills**, **Chemical** And **Nuclear Wastes**.

Nuclear Waste:

> In 1986 In **Chernobyl** A Nuclear Plant Melted Down And Large Populated Areas Surrounding The Reactor Site Were Contaminated. Four Years Later Ukraine And Nearby Belorussia Remain Contaminated With High Levels Of Radioactivity. The Poisoning Of The Land Has Created Dire Health Problems Causing Deformities In Humans And Animals, And Economic Devastation.

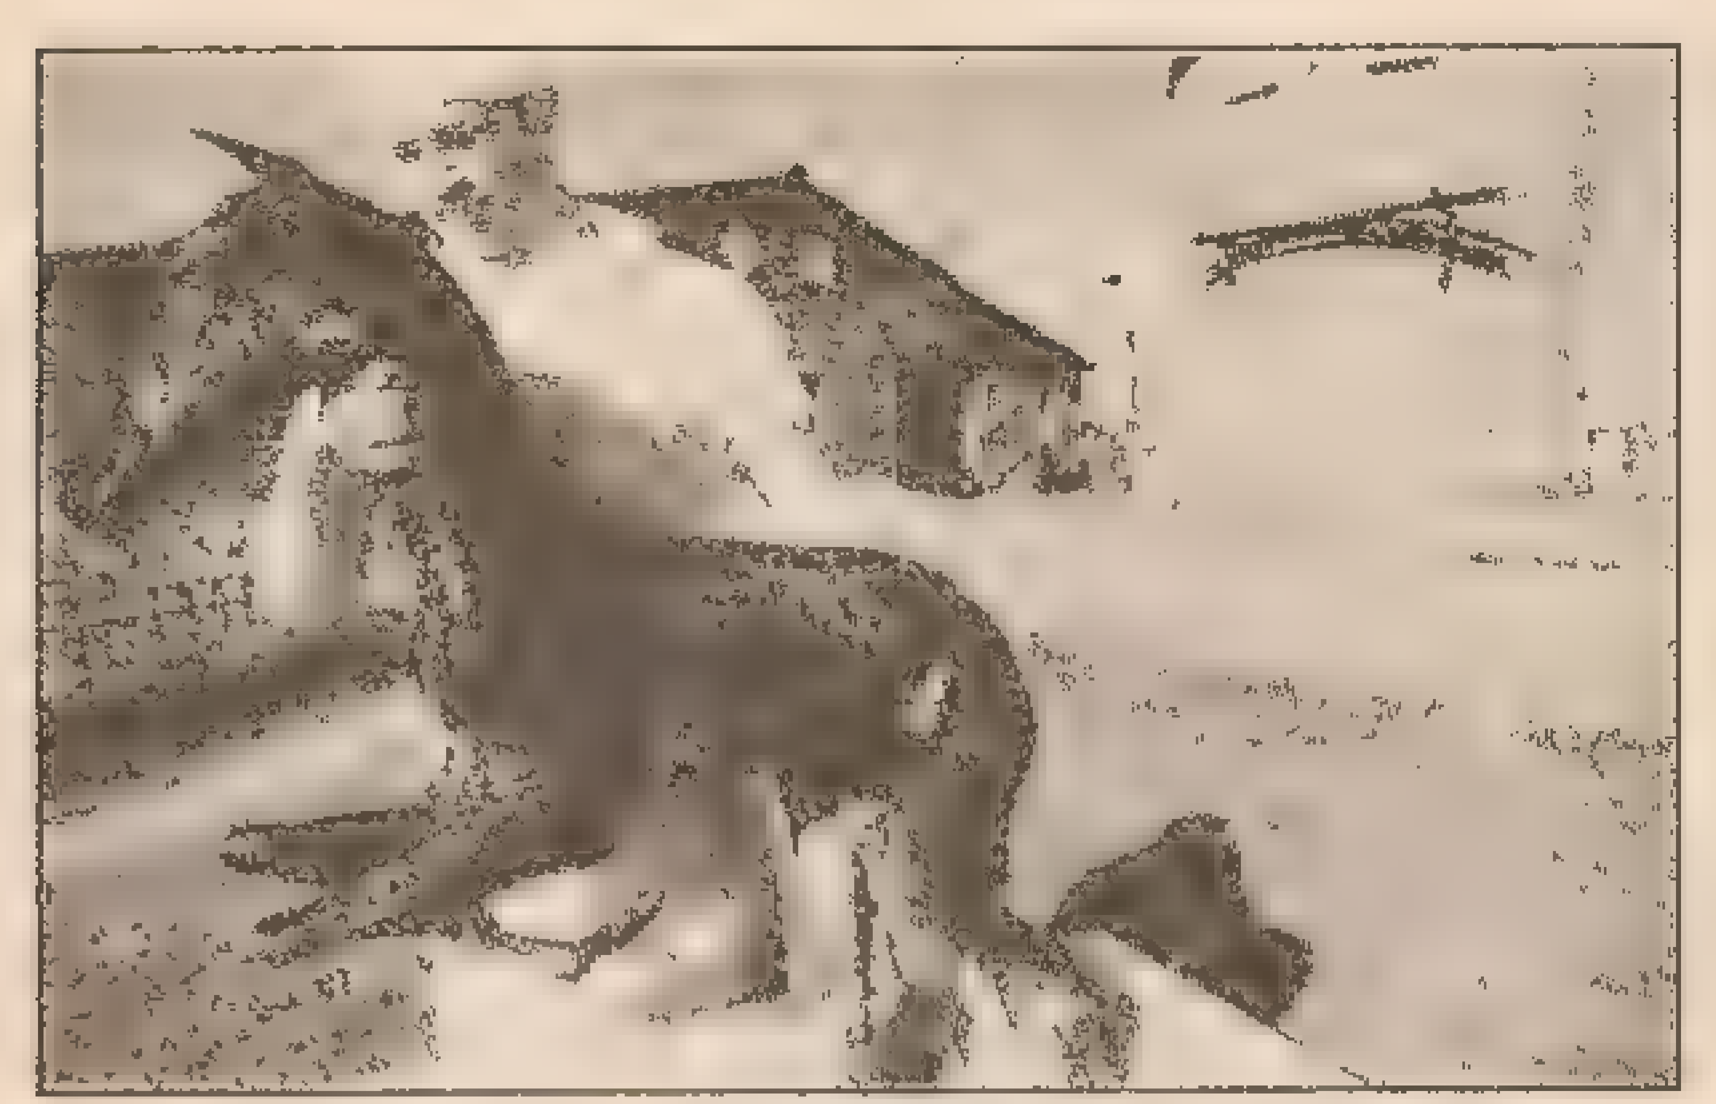

Figure 33

A Colt Was Born With Eight Legs

Figure 34

This Eyeless Pig Is One Of Scores Born With Defects

A Child Watches As A Meter Registers An Unhealthy Level Of Radiation In The Air. And Even Though It Looks As If He Is Not Affected, The Radiation Affects His Genes And His Children May Be Born Deformed Just Like Those Animals Pictured Above.

Figure 35

Soon A Drop Of Water Will Cost More Than A Drop Of Oil. Why? Between **30%** And **40%** Of The World's Food Production Is Now Dependent On Irrigation. Industry Is Also Using Ever Increasing Amounts Of Water To Generate Electricity, To Cool **Nuclear Reactors** And

Manufacture Chemicals And Metals. As A Result, Many Lakes And Streams Have Been So Badly Polluted By Agriculture And Industry, As Well As By The Wastes From The Increasing Numbers Of Humans, That They Have Become Unusable Without Expensive Treatment. Despite Purification Measures, The Need To Take Drinking Water From Contaminated Sources Has Caused Widespread Disease.•

For Example: Every Year Factories Dump Millions Of Tons Of Waste Water Containing **Zinc, Mercury, Tungsten, Molybedeum**, And Other Poisonous Substances Into Streams, Lakes, Rivers, And Seas, Despite Dozens Of Official Resolutions, Decrees, Proclamations, And Promises. Nowhere Has The Link Between The Misuse Of The Land And Filthy Water Been Manifested More Clearly Than In **Central Asia**. There, A Combination Of Unfiltered Drinking Water, Untreated Sewage, And Large Quantities Of **Pestilence**, **Herbicides**, **Defoliants**, And **Fertilizers** Has Done Massive Damage To The Population's Health, Not To Mention Causing Severe Economic Losses. For Decades, Pure

Water From The Region's Rivers Has Been Diverted To Irrigation Projects, And The Water Remaining In Rivers And Streams Is Almost Always Badly Polluted.

The World Health Organization Estimates That As Much As **80%** Of The World's Cases Of Disease Are Traceable To Unclean Air. This Is Not A Chilling Revelation It's Fact. Growing Use Of **Pesticides**, **Herbicides** And **Fungicides**, Will Soon Put Agricultural Production Itself, In Jeopardy. And Why The Excessive Use? Only To Obtain Monetary And Immediate Advantages From The Land. At A Conference In **Nairobi, Africa**, It Was Noted That Deserts Are Spreading In Many Parts Of The Earth. An **Environmentalist** Concluded The Causes Are: **Primitive Deforestation, Fire, Erosion, Inadequate Agricultural Forms And Pesticides, Join The Natural Causes** To Accelerate The Desertifications Process. Right Now **Brazil** Has Everything To Form One Of The Largest Deserts In The World Within The Next **25 To 30 Years** If It Continues To Occupy The Amazon Area In A Disorganized Manner.

Thanks Largely To Man's Own Senselessness, Desertification Now Threatens The Fragile Existence Of About **630 Million People** Who Dwell In These Regions. With This, Countries Could Disappear From The Face Of The Map.

At This Point The Efforts Made By Small Organizations Are Not Enough To Remove The Threats To Man's Well-Being, And Calls For **International Collaboration** On A Scale Not Seen So Far In Man's History, To Save The Environment From This Irreparable Damage. There Are An Extreme Amount Of Obstacles That Would Have To Be Eliminated. To Begin With, Traditional Life-Styles Will Have To Change. Then, National And Racial Pride And Prejudices, Open Hostilities, Social Injustices, Have To Be Put Aside Because They Clearly Stand In The Way Of Unification And Getting Anything Done. It's Man's Greed And Often Times Ignorance, His Short Sightedness And Outright Malice, That Oppose His Making Progress. It Is Exactly That Which Has Led The World To The Present-Day Problems.

As I Said Before, Man Himself Has Created His Own Situation, And This Includes You And Anyone Else Who Has Attributed To This Problem. You'll Say I Don't Smoke, But You May Drive A Car, Or Use Hair Spray, Or Other Things That You Now Know Aggravates An Already Enormous Problem.

Conclusion:

So Now You Know For A Fact That The World Is Most Definitely Coming To An End. Whether By Flood, Fire, Freezing, Cosmic Collision Or Other Catastrophic Manifestations **IT'S INEVITABLE**. Now Whether Someone Will Come And Take You Out Of The Predicament You've Gotten Yourselves Into Is Another Question. Right Now Your Problem Is With Nature And You Don't Have To Worry About Star Wars Or The Climate To Kill You. Mother Nature Will Do Her Part. For Century After Century You Have Totally Abused And

Taken Advantage Of Her And Now She's Mad And Wants You Off Her Back. And You Think That By Adding Trees Here And Preserving Things There, That It Will Reverse The Process. Not This Time. Everything You Human Beings Want Seems To Go Against Nature Or The Natural Order Of Things. For Instance You Will Take Food That Is Grown In One Region And Take It To Another Region Where It Doesn't Belong; You'll Take Something Like Oranges From Florida Which Is A Tropical Fruit, And Grow Them In Georgia. That Alters, The Ground And It Alters The Atmosphere. And The Same Thing Is Done With Insects, Animals, Fish, And Even People. You'll Take A Wild Lion From The Jungle And Bring Him To A City And Put Him In A Cage. Altering Things Like These Alters The Natural Order Of Things. And Then When Nature Starts To React By Causing What You Call Natural Disasters (Earthquakes, Tornadoes, Hurricanes, Etc.). You Don't Overstand Why.

Figure 36

Your Problem Is You Think That You Are The Only Species Of Importance Because You Have A Little More Intelligence. However, You're Not. Just As You Can Take Advantage Of Cows, Pigs, Chickens, Deer's, Sheep, Fish Etc.

And Use Them For Food, Clothing Or Whatever. Believe Me, Someone More Intelligent Than You Is Looking At You The Same Way. What Man Doesn't Overstand Is That Everything That Exists Has Life, From The Plaque On Your Teeth To Germs That You Wash Away Every Time You Take A Bath. All Of This Has Life And Some With More Intelligence Than You. Look At All The Incurable Diseases Like A.I.D.S And Cancer. These Diseases Are Live Organism That Are Spreading Fast, And Right Now There Is Not A Thing You Can Do About It. So I Would Say That This Life Substance That Is Feeding Off Of You, The Same Way You Do With All Of The Weaker Species, And Have Outwitted All Of The Scientist In The World Who Can't Find A Cure; And You Call It Negative. Look At It This Way, You Are Actually Producing Chemicals In Toothpaste To Kill Bacteria And Plaque. But Do You Really Know Why Plaque Exists Or Do You Question The Being Who Made Plaque? Therefore You Are Destroying Life Because You Have To Keep Your Mouth Clean. It's Not What Is "Good" For You But What You Want That Is More Confortable Or Convenient For You That's Causing Your

Destruction And Killing Everything Else Around You. Now You Have To Pay The Price.

As I Said Before The End Of The World Has Nothing To Do With Religion, But It Does Have To Do With You And What You Do From This Point On. Do You Really Think That Jesus, Or The Messiah, Or Whoever You Are Waiting On Is Coming For You Or Anybody Else With The World In The State It's In. And You Haven't Changed. You Still Want Any And Everything That Makes Life More Convenient Which If The Messiah Was To Come With A New World, A New Jerusalem, It Would Eventually End Up The Same Way Because It Happened Before. And Each Time They Try, It Ends Up Even Worst Then Before.

So Now What Are You Going To Do. The Scientist Came Up With Three Alternatives Because They Knew That The Earth Was Headed For Destruction:

1. Mass Genocide - Starts Wars, That Kill Millions Of People Another Way Of Population Control.

2. Go Underground - They Couldn't Use That Because When They Were Going Underground. There Were Other Beings In Caverns Because They Knew Whatever Was Going To Happen Would Only Affect The Surface.

3. Get The Hell Out Of There, And That's Why They Have Bases On Mars And Moon And They Are Only Moving Select People There.

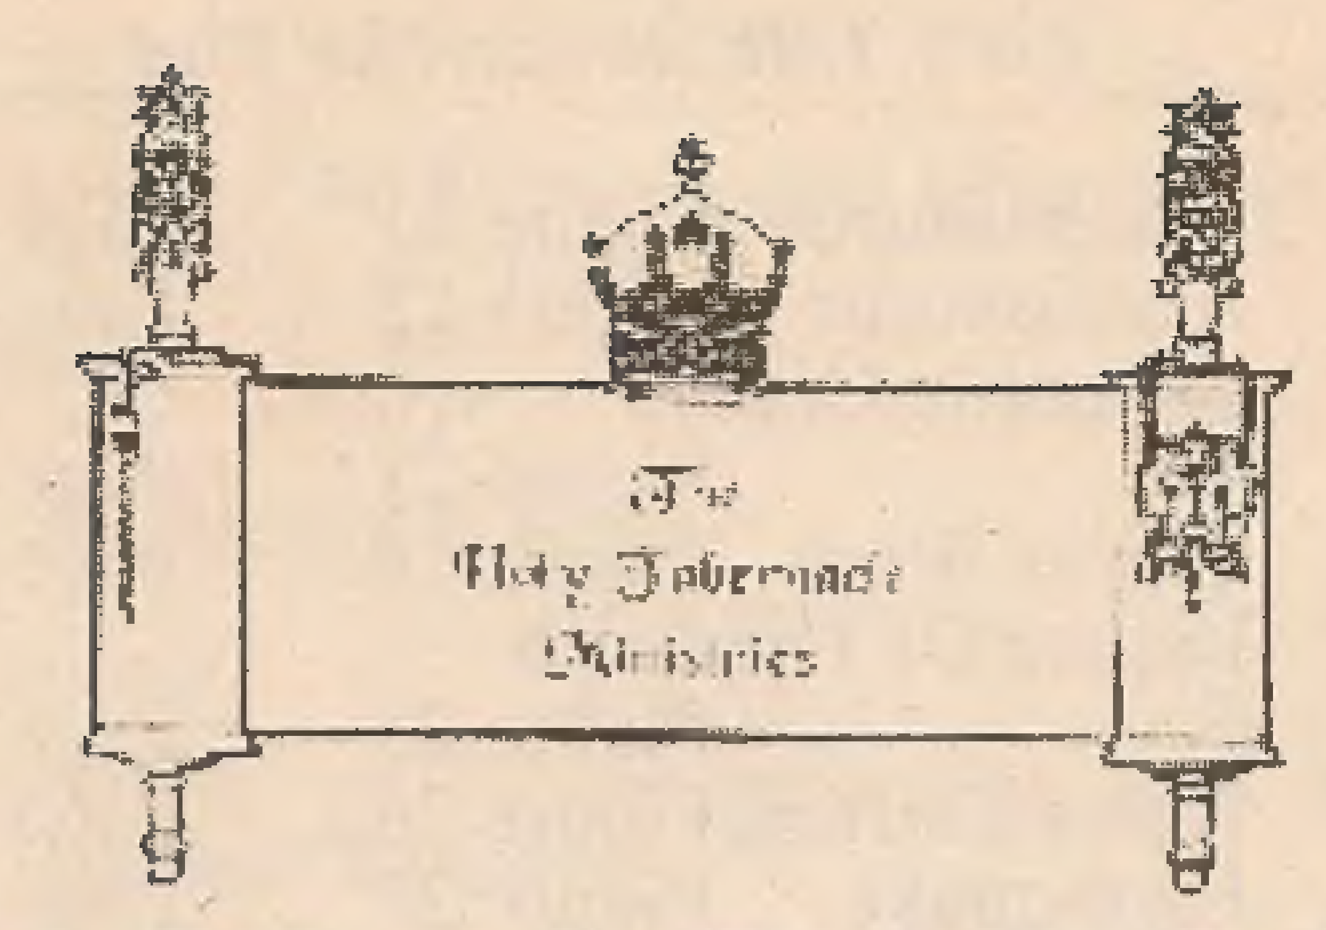

The Point I'm Making Here Is That What's Happening To The Earth Has Nothing To Do With Your Race, Your Religion, Or Your Status Because It Affects Everyone Living On It. So Instead Of Everyone Focusing On Trivial Things Like What Am I Going To Wear Tomorrow, They Had Better Worry About Whether Or Not There Is Going To Be A Tomorrow And What They Are Going To Do To Survive Until Or Through The End.
